JULY 2007

FROM THE (INTERIM) EDITOR

7/2/07, 10:00am

Hey there,

So much to do, so little time. I got swamped at work last week and didn't get this done in time to reach some of our non-email members via snail-mail, so I'm sending each of them (in California) a postcard with directions to Wednesday's BBQ, but now I'm late for work.

We may have a new advertiser soon. I met one of the new owners of the Firestone auto care on Pomerado Road in Poway at softball last week. Seemed like a nice guy. He's a former Healey owner, and might decide to run a business card ad. I didn't catch his name, but he said he and his partner used to run a Shell garage out in East County.

Stay tuned for the San Diego British Car Day Pre-Registration form. I thought we might have it for this issue, but there are some legal and financial issues that have delayed it. (The fee may be going up again.) I'll post it to the web and send out an announcement as soon as it's available.

The same goes for the Conclave 2008 registration and regalia forms. Mike and Warren are making a few changes based on comments Mike got in Vermont. We hope to have those forms available on the web and announced later this week.

Well, I've gotta get this uploaded, send out the announcement, and then get my butt to work. Hope to see some of you at the BBQ on Wednesday.

TTFN,
Rick

FROM THE PRESIDENT

June 28, 2007

OK you Healeyphiles here be the message,

We had a great day on the Father's Day Brunch Tour, even if we stopped too many times for Udo's taste, and my 100-4 didn't want to restart once it was hot. The weather was outstanding, the food was good, just ask Dana!! How many omelets can one person eat anyway?? I was so impressed with the Music that I got his number for the Christmas party!! Oooooohhhh man won't that be fun!!

On the way home a few of us stopped by the Farnsworth's – thank you Bob & Sue – to kick some tires and look at the three 100-4s in the garage and give Bob some ideas on how to proceed!! Did we give Jerry & Sue CotY points for *trying* to make it in their Healey??

I know a few of the club members are attending Conclave 2007 in Vermont. I'm sure we will hear some good stories at the meeting!!

Next stop – 4th of July party at Rick's house don't forget the chili... *[You're welcome to bring chili if you really want to, but it's likely to make a mess on the grill. –Ed.]*

Healey Club meeting, July 11th at Round Table Pizza @ 6:30

Don't forget the Ball Bearing Breaker Challenge Rallye July 21st! See details on page 10.

We still need plenty of ideas for future activities, any & all thoughts on the matter are welcome!!

Happy Healeying,
Terry

WHAT'S NEW?**Bringing Folks Up To Date***By David Coyote*

Healey folks, here's all the news fit to give you fits:

Susan told me that Gerry Kwiat, after busting a couple of knuckles, got his '57 100-6, BN4 "Ol' Blue" on the road again after 25+ years of storage. Those who attended got to see it when he drove to the June monthly meeting. But wait – there's more. While driving to Rancho Penasquitos from La Mesa to pick up Susi's parents for the Father's Day Drive to Pine Hills Lodge, "Ol' Blue" blew a casting plug. Thank goodness it was only a block from Susi's parents' home and not up on the narrow curving wilderness road to Julian. "Ol' Blue" is back in the carport again, feeling blue, awaiting future repairs. Come on, Gerry – you can do it.

Lou Galper says he got his 100 running again – new Denis Welch aluminum head with ARP studs and new lifters. Hey! That BN1 is raring to go. Lou was a candidate for the Healey Association's "Hard Luck" award during Healey Week. Lou said he wasn't unlucky enough. Michael Newsome won the award.

More news from Lou: Ron Davies of Laguna Hills reports that the 'new' Crystal Cove weekly car show is just as popular at its new location in Irvine. His BJ8 runs great and is there every other week. Earlier this month, he traveled with four other local Healey owners with their cars to the show. If we can get a group together, we'll have to start early, there is no room to park after 7:15am. He was at Rolling British Car Day in April in his Aston Martin.

Hope you're well – that the cars are purring,

California Healey Week 2007 – The Pierpont Inn, Ventura

By Sandy Davies, photos by Sandy Davies

There's something comforting about going back to a place like The Pierpont... you know where your room is... you know where to find the dining room, the bathrooms and the Healey registration room. You know the neighborhood restaurants, the car show site at the harbor and the local attractions, like the pier. I liked the hotel room we had in 2004, so I requested it again... it's comfortable. As I'm setting up regalia, I remark that I've always liked this room. It's just large enough to have good traffic flow... it's comfortable. So what are we doing next year? We're putting off California Healey Week 2008 in support of the Austin-Healey Club of San Diego's Conclave, the national get-together. You know, there's something exciting about going to a new place and exploring new territories...

Here's what happened at California Healey Week 2007:

Popular Car Show winners (*AHCSO Members):

<u>Class</u>	<u>First Place</u>	<u>Second Place</u>	<u>Third Place</u>
Sprite:	Domenic Valentino	Rick Snover*	Susan Motander
Modified:	Ken Deringer*	Ron Davies*	Ken Carr
100:	Guy Browning	George McHarris	Ron Phillips
100-6:	Mal Doherty	Joerg Hubl	Kurt Albrecht
3000 Roadster:	Bob Humphreys*	Don Fisher	Udo Putzke*
3000 Convertible:	Harry Lekites	George Burkhardt	Don Newman*
Healey Open:	Dana McPeck* (Jensen GT)		
Best of Show:	Bob Segui (1953 Nash Healey)		

Premier Class participants: Peter Roses, John Kinney. Bill Barnett, unable to bring his Healey, laid out a "memorial" of driving gloves and goggles in its place.

Hard Luck Trophy went to Mike Newsome. Didn't even get out of town before admitting the Healey wasn't going to make it. Turned around and had to drive his other car.

Other Happenings: Debbi Newsome put together a huge panel of donated photos – on display at the Saturday night dinner and Sunday breakfast... fun to see the old photos. Sandy Davies put on a crafty session for 10 enthusiastic ladies; gluing bits of oriental rice paper onto folded card stock, making personalized all-occasional cards. Bill Barnett presided over a panel discussion-style troubleshooting session. Ron Phillips talked about carburetors. Bob Segui donated his time and computer experience and, with Michael Grant's assistance, put on the "slide" show at the Saturday night car show awards. Bob also donated the cost of the film processing for our individual photos. Domenic Valentino surprised us all by showing off the sofa he made out of the rear end of a Bugeye Sprite. Harry Lekites, from Huntington Beach, brought his brothers from Maryland to witness his '66 3000 convertible's maiden trip... and then won first place.

See you at Conclave 2008, San Diego!

FATHER'S DAY BRUNCH & DRIVE

Father's Day Brunch & Drive

By Susan Virden-Kwiat, Photos by Bob Farnsworth, Terry Cowan and Sam Virden

The Father's Day Drive and Brunch at Pine Hills Lodge was held June 17th, 2007 with 22 in attendance including 7 Healeys completing the drive. It would have been 8, but Gerry Kwiat's '57 100-6, BN4, had a freeze plug disaster on the way to picking up Susi's parents. Luckily the breakdown happened right in front of their house.

It was a beautiful sunny day and part of the group met at Bilstein's in Poway for a spirited drive through Ramona, stopping at the Sizzler in Ramona to pick up a few more people, and then on to Dudley's (via the Old Julian Highway back road) to pick up the rest of the gang.

The drive up the hill to Julian was without incident, except that most of the group missed the Pine Hills Lodge turn-off and went on into Julian to "turn-around" and come back (the more scenic route).

FATHER'S DAY BRUNCH & DRIVE

A delicious all-you-can eat Brunch and Omelet making was served with the whole group sitting outside on the cedar deck patio under the pine trees. It was a very pleasant, peaceful setting (especially after "Cowboy Jack" quit singing his renditions of "On the Road Again"). It was a great day enjoyed by all, including Susan's father, Sam Virden, who got his "Father's Day Ride" with Dana in his Jensen Healey. He (Sam) thought the ride was GREAT (even at 95 mph) and commented that even though the speed was very fast, Dana was a very good driver.

Attending and driving their Healey's were: Udo & Gisela Putzke, Dana McPeck (wife & daughter met us at Pine Hills Lodge), Rick Snover, Scott Tisdale & Claire, Terry Cowan, Warren Voth, and Steve & Diane Kirby. Other British cars were the Jaguars driven by Lou Galper & Deborah, and Jim & Barbara Widgery. Bob & Sue Farnsworth and Gerry & Susan Kwiat' and Susan's parents Sam & Jean Virden completed the group in their BJ9s.

BALL BEARING BREAKER CHALLENGE RALLYE XXXVIII

Ball Bearing Breaker Challenge Rallye XXXVIII

By Dan Roslund

The Semiannual Ball Bearing Breaker Challenge Rallye XXXVIII (38) is planned and ready to go. Here are the details:

What: The Semiannual Ball Bearing Breaker Challenge Rallye XXXVIII (38)

Who: All Clubs in the British Car Club Council (and anyone else who would like to come and have some fun!!).

Date: Saturday July 21, 2007

Time: Meet at 9:00 AM, first car out promptly at 10:00. There are many restaurants close-by so breakfast (or a quick coffee and muffin) can be had before you begin the Rallye.

Eating Places: Muffin Break, IHOP, Starbucks, Dairy Queen and others.

Location: Del Norte Plaza, 362 El Norte Parkway, corner of El Norte Parkway and Centre City Parkway, Escondido CA. For directions: <http://www.sandiegobritishcarday.org/BBBCR38.html>

Directions: Just off Interstate 15 at the El Norte Pkwy Exit, it is the first shopping center East of 15 (about 1/4 mile), on the North side of El Norte Pkwy.

Cost: \$10 per car. This is to cover the cost of the trophies for the First, Second and Third place finishers, both Driver and Navigator. All food costs are your own responsibility.

Last January's Rallye was truly FANTASTIC. Everyone that entered had a great time and we explored some new areas of San Diego. I am planning on living up to the great effort and work that went into putting on the January event.

As an added incentive to boost attendance, there will be some excellent raffle prizes given away. Each entrant (car) will be given a raffle ticket, and there will be a random drawing to select the winners (so you don't have to win the Rallye to win a great prize!!!). You will need to be present at the luncheon, though!

It is highly recommended to have both a driver and a navigator on the Rallye since there are clues and questions that need to be figured out and answered during the course, but solo drivers are welcome and no one is excluded.

A little bit about the Ball Bearing Breaker Challenge Rallye: This is a timed event BUT NOT A RACE. It is meant to be fun!!! Each entrant (driver and navigator) will get an instruction packet at the start. There are clues for directions, so you will not know the end point (a local restaurant) of the Rallye. During the Rallye, each entrant follows the directions and clues, and tries to answer as many of the questions as possible. The course has been mapped out, and driven (by ME) and a time has been calculated as to how long it *should* take each participant to finish. The approximate time is around an hour and a half or so... enough to get the car running nice and enjoy some great scenery. At the end, we all meet up and at the finishing point for some fun and food. The time of each car is recorded, and points given for each correct answer for the questions within the packet. The winner is the one with the most points!

Oh, for those people who may get a bit lost or misrouted, a sealed envelope is also given with the final destination (and a MAP). Also an emergency number (my cell) will be given out. I will have my trusty Map with me and I am sure to get you to the finish line no matter where you end up in San Diego (hopefully you don't end up in Yuma!!).

I am planning on an excellent turnout for the Rallye. Last January we had over 40 entrants and I will plan for some extras this time!

Rick Snover's House
8669 Keystone Court, San Diego 92126
(TG 1209-C2)

The *simplest* route (only two speed bumps) – Get onto Mira Mesa Blvd from wherever you're coming from, then:

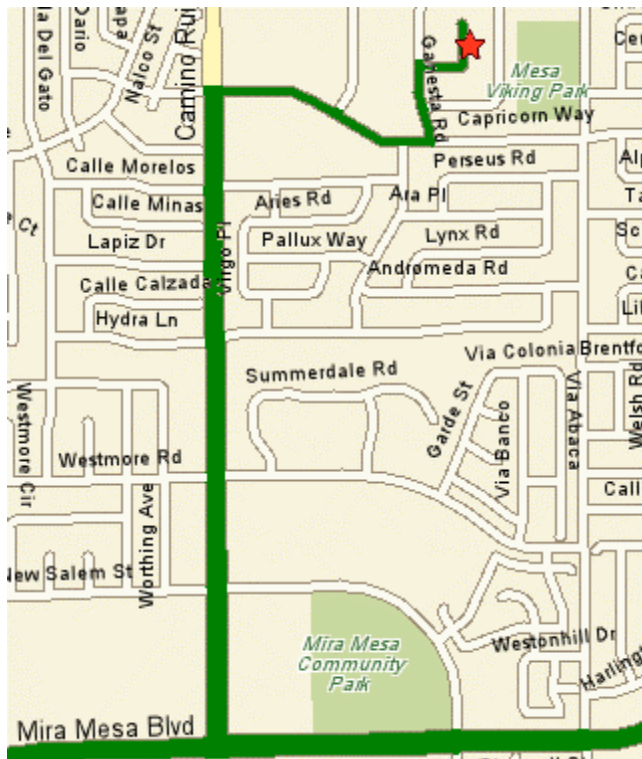

1. Turn at the *umpteenth*th traffic signal (Shell station on the SW corner) to go NORTH on CAMINO RUIZ;
2. Turn RIGHT at the third traffic signal (7-11 on the NE corner) to go EAST on CAPRICORN WAY;
3. Slow down over the two speed bumps, and then turn LEFT to go NORTH on GANESTA ROAD;
4. Take the second RIGHT to go EAST on KEYSTONE COURT;
5. Go around the 90° bend to the LEFT and continue to the cul-de-sac at the end of the street.

Rick's house is on your RIGHT, with a large long-needle pine in the front yard and his gray Sprite in the driveway.

Non-Healeys please park down the street a little bit, so the Healeys can park in the driveway or out in front of it. (We can probably get away with double or triple parking. The neighbors do it all the time.)

The Board on a case-by-case basis may award points for other events.

Other non-Healey British-built cars earn half points, but are not eligible to win the award. All points received during the year by all members will be worth a discount towards the purchase of AHCSO regalia during the subsequent year. The total points leader at

the end of the year will receive the coveted CAR OF THE YEAR badge for display on their Healey for the following year.
