FROM THE (INTERIM) EDITOR

11/7/07, 11:45pm

Hey there,

Now *this* is what I call *late*! I've really had a hard time making myself get started this month, but it's finally time to bite the bullet and get it done. I only *hope* it reaches everybody before the Election Meeting next Wednesday. Fortunately, I only have two more issues to prepare before the new Editor takes over for the February 2008 issue!

A little advance warning: The December issue will be a little late, too, but hopefully not quite this late. I probably won't be able to start work on it until the first weekend in December, but I expect it will be a very brief issue anyway, so I should be able to crank it out by Monday the 3rd. Please be sure to send your "What's New?" items to Coyote, and any pictures and articles to me, by the 20th or shortly after. Don't wait for me to beg, 'cuz I ain't gonna do it.

TTFN,
Rick

TO THE (INTERIM) EDITOR

Hi Rick,

I would like to thank the AHCSO members for the many cards they sent me while I was in the hospital. I couldn't believe the number of them. They certainly made the hospital stay more bearable and inspired me to get out and get the Healey running again.

FROM THE VICE PRESIDENT

November 7, 2007

Hi All,

Terry's been really swamped for the last few weeks, and asked me to fill-in for him here. I figured I had a few things I could write about, with the recent wildfires and our upcoming Renewals, Election and Christmas Party, so I agreed.

We both want to express our condolences to **Bob & Sue Farnsworth** for the loss of their home (and Healeys). We all had a great time whenever the Club gathered there, but our loss is negligible compared to theirs. As far as I know, none of our other members suffered any similar loss from the fires... I've heard from or about 42 of our other 100+ members. Many of them reported that they had to evacuate but were able to return to intact homes. Most of the ones I haven't heard from live in areas that were not seriously threatened, but about 16 of them live in areas that were at least close to one of the fire perimeters. It'd be great to hear from them, too.

Wearing VP Hat #1 (Membership Coordinator): As of today, our Club's membership stands at 106. I'll be sending out **Renewal Notices for 2008** very soon. The members at last month's meeting voted to do that via email when possible. For those of you we don't have an email for, you'll get your renewal notice in the mail. For those who've just joined or already paid for 2008, you won't get one at all.

Switching to VP Hat #2 (Election Committee Chairman): We'll be **electing our 2008 Club Officers** at this month's meeting on the 14th at Hsu's. We have solid nominees (i.e., volunteers) for five out of the six elected positions, and at least a tentative one or two for Activities Chairman. It won't be much of an "election" with only one nominee per office. Even though that's been the norm for the last few years, I think it'd be great if some more of you decided to get involved in keeping your Club going.

Be sure to **RSVP to Susan by December 1st for the Christmas Party**. We can't guarantee that we'll have enough food and door prizes if we don't know you're coming.

Hope to see you there,

Rick

FROM THE CONCLAVE 2008 CHAIRMAN

There are only 8½ more months remaining until Conclave 2008! Currently, we are continuing with our planning meetings on a monthly basis, however as the events draws nearer, we may have to move to a "twice a month" schedule. Registration & Regalia forms are available online at: www.austinhealeyconclave.com. We are counting on all of you AHCSO members to volunteer with either the planning of Conclave, running of Conclave, or both. We can't pull this off without your help and I guarantee you'll have a blast doing it!

Our next monthly **Conclave Planning Meeting** will be held on Sunday, November 25th at 9:00 A.M. Bob & Barbara Humphreys will once again be our hosts. Topics of conversation will include updates on registration/hotel reservations, the various off-site event reservations, tech session planning, solicitation of sponsorship letters, 4-page brochure, event program details, etc. If you are a Committee Chair, please plan on attending. The Humphreys are located in Clairemont at 6351 Charing St., San Diego, 92117 (TB 1248-J2) and can be reached at (858) 278-0414.

Hope to see you all there,

Mike Williams

WHAT'S NEW?**What's new for November 2007**

By Rick Snover, sitting in for the Coyote

Susan Virden-Kwiat reports: The latest item on Gerry's list of "things that go wrong with old 1957 Healeys", 100-6, is that it looks like it has blown a head gasket now. Probably happened somewhere around the time that the freeze plugs blew, or just over time and from it sitting so long since 1985 not being ran. Oh well, Gerry says it is another "messy" fix-it adventure.

Rick Snover reports that his Tri-carb has now been painted and it's going to be absolutely stunning in a rich cream color over deep blue insets matching the interior. It's getting very close to being ready for the "some assembly" phase to commence.

On a sadder note, Steve Kirby reports that although his & Diane's home, garages and cars escaped any significant damage from the wildfires, he did suffer a casualty during his clean-up. Pulling his MG B out to blow off the ashes, he set the handbrake and stepped away to fetch the air hose... CRASH as the handbrake failed and the car rolled backwards into the canyon, crunching the rear-end pretty badly.

Sift & Sort at the Farnsworths'

By Rick Snover, photos by Wayne Johnson & Rick Snover

On Wednesday, October 31st, eleven of us joined Bob & Sue Farnsworth, their daughter and grandson to hunt for “treasures” among the ashes. The other members who arrived to help were: John & Mary Schermerhorn, Steve Kirby, Wayne Johnson, Bob Kitterer, Sandy Leon, Gisela Putzke, Klaus Kind, Roland Wilhelmy and his houseguest. I was astonished at how complete the destruction was... The house was basically leveled, with virtually no wood left or anything “soft” left at all. Many of us focused on the garage area for most of the day, where the three Austin Healey 100s and all of Bob’s tools were located. We managed to salvage a *lot* of the steel tools, including some of Bob’s fathers old woodworking handtools. Most were charred, but Steve said they should clean-up okay and suggested a future tech session at his place to wire-wheel them. The cars were a mess, with puddles of melted aluminum from the shrouds on the floor under at least one of them. All in all, it was a very sad day, but at least we were able to do *something* to try to help.

The 21st Annual San Diego County Veterans Day Parade

2006 Veterans Day Parade photo courtesy of Clint Steed.

Each year, on the appointed day, and at the specified time, San Diegans pause to honor our Nations' Veterans, by participating in or observing the Parade in San Diego. This Parade includes entries from across San Diego County, composed of Honor and Color Guards, JROTC Drill Units, Military and High School Marching Bands, Military units and vehicles, Veterans Organizations, and of course, Dignitaries.

This year, we are especially honoring "Those Who Serve Veterans" with Congressman Duncan Hunter as our Grand Marshal, and those organizations who serve Veterans as our Honorary Grand Marshals! Since World War Two, the U.S. Department of Veterans Affairs, officially established as a Cabinet-level position in 1989, has provided Disability Compensation, Pension, Vocational Rehabilitation, Education and Health Care benefits to America's Veterans. We will also honor the numerous other Veterans, State, County and Local Agencies who help to facilitate Veterans entitlement to the benefits they have so rightfully earned, as well.

*Drivers have the final decision on placement of the Dignitaries in their vehicles, and are encouraged to decorate their vehicles in patriotic themes should they desire to do so.

CAR OF THE YEAR AWARD

In an effort to recognize Club members who participate with their Healeys, the AUSTIN HEALEY CLUB OF SAN DIEGO awards CAR OF THE YEAR (COTY) points for various activities. Opportunities to collect COTY points include any car-related events (shows, drives, rallies etc.) sponsored by an official organization (other car clubs, auto museum, city chambers of commerce, charities) where you participate with your Healey. These events may or may not be listed in the newsletter. The participant is responsible for providing proof of participation (entrance fee receipt, photo, corroboration from other club members, etc.) to the COTY recorder, Gisela Putzke (858-486-3870 or putzkes@cox.net), within 30 days after the event. AHCSO events will have a sign-in sheet that will be forwarded to the recorder. For multi-Healey families, be sure to indicate which car(s) you drove.

COTY points currently approved by the Board are:

AHCSO Meetings & Tech Sessions	4 pts
AHCSO Driving Events, Parties, etc.	6 pts
California Healey Week	16 pts
Healey Rendezvous	16 pts
Austin Healey Conclave	16 pts
S.D. British Car Day & Rolling B.C.D.	10 pts
Other non-AHCSO one-day events	2 pts
Other non-AHCSO multi-day events	4 pts

The Board on a case-by-case basis may award points for other events.

Other non-Healey British-built cars earn half points, but are not eligible to win the award. All points received during the year by all members will be worth a discount towards the purchase of AHCSO regalia during the subsequent year. The total points leader at the end of the year will receive the coveted CAR OF THE YEAR badge for display on their Healey for the following year.
