JANUARY 2008

FROM THE (INTERIM) EDITOR

12/27/2008, 9am

Hey there,

Could it be a *Christmas Miracle*, or merely the convergence of an early start, timely contributions (thanks everybody, especially Coyote, Mike and Loreen for all the photos) and a four-day weekend? Whichever you choose to believe, this, my last issue as (interim) Editor, is finished!

I really appreciate everyone's contributions throughout 2007, and hope you'll all give **Warren** the same kind of cooperation and support through the upcoming year.

Be sure to keep your news tidbits coming to Coyote for the "What's New" column, too. I think that was a pretty good addition this year, and would like to see it continued.

When you're out and about with your camera, be sure to keep an eye out for good **cover shots** – take an extra second to turn your camera 90° for a "portrait" mode picture.

Correction: I accidentally deleted the **Victoria British** business card ad from the last three newsletters of 2007 (October, November and December). It probably happened when I was deleting a bunch of text from the Word document from September to begin work on the October issue. To make up at least a little bit for my goof, I've included an extra large copy of their ad on page 17 of this issue.

As the 2008 Chairman-elect of the Activities Committee, I consider each and every one of you to be members of the Activities Committee. I'm going to rely on *your suggestions and assistance* for drives, tech sessions and other activities throughout the year. If you wait for me to think of something to do each month, we're going to have an awfully boring year.

TTFN,
Rick

FROM THE PRESIDENT

December 21, 2008

Dear Healey Folk,

I am sure most of you have heard of the loss of our good friend **Dana McPeck**, who passed away in his sleep Tuesday morning, December 18th. Our heartfelt sympathies go out to his wife & family. I am saddened by the loss of a truly good guy & friend, and will miss his constant ribbing. We will all miss his quirky humor, and trying to keep up with his Jensen on the road tours. A memorial fun run is being held in his honor on January 12th [page 8], and plans for a memorial trophy to be given in his name at Conclave 08 are in the works.

On a lighter note, I really enjoyed having you all over to my place for the **Christmas Party** [page 10]. I hope fun was had by all. Now I'm more motivated than ever get things finished, so we can do that again, perhaps in the summer when the deck will be done!! **Udo**, I think I have your Santa hat... I have someone's Santa hat, anyway.

Hope to see you all at our first meeting in the new year, **Jan 9th at Round Table**. Until then, I hope everyone has a wonderful Christmas and a fun & safe New Year.

Cheers,
Terry

FROM THE VICE PRESIDENT

2008 MEMBERSHIP RENEWALS: We got a pretty response to the renewal notices I sent out in November. 46 of our 106 members had already renewed for 2008 as of the last time Mike checked the P.O. box, before our Christmas Party on December 9th. There'll probably be more the next time Mike checks.

I'll be mailing out a "second notice" in early January, so if you haven't already renewed please save me some work and your Club some money – **take a moment and renew today**.

Rick Snover
Vice President, Membership Coordinator

FROM THE CONCLAVE 2008 CHAIRMAN

CONCLAVE PLANNING MEETING: Our first **Conclave Planning Meeting** of 2008 will be held on Saturday, January 12 at 9:00 A.M. at Bilstein Shock Absorbers. If you are a Committee Chair or wish to get involved (we can sure use your help!), please plan on attending. Bilstein is located at 14102 Stowe Dr (corner of Scripps/Poway Pkwy) in Poway (TG 1190-G7).

Now's the time to step-up and help out your club with Conclave. We can't make this a successful event without you, the AHCS members. This Conclave promises to offer one of the best venues ever and I've promised everyone that our club members are the friendliest, most fun-loving Healey folks around... don't make me a liar! Give me a call and let me know where you'd like to help out.

Revised Registration & Regalia forms, as well as the new 4-page color brochure, are now available online at: www.austinhealeyconclave.com. [See this month's Center Pull-Out.]

See you at the next planning meeting!

MEETING MINUTES**DECEMBER 2007 MEETING MINUTES**

HAPPY HOLIDAYS

GO CHARGERS

The Club's annual Christmas Party, held at Terry Cowan's house on December 9th, replaced the monthly meeting for December. 45 members and guests attended. [See page 10].

MERRY CHRISTMAS TO ALL AND TO ALL A VERY HAPPY NEW YEAR

Respectfully submitted,
Susan Virden-Kwiat', Secretary

ADDENDUM TO NOVEMBER 2007 MEETING MINUTES

The following items from the November 14th meeting were omitted from the minutes published in the December newsletter, to avoid spoiling the surprise:

New Business: A motion was made for the Club to spend up to \$1,000 to buy a new tool chest for Bob Farnsworth, to replace the one that was destroyed in the recent fires. The motion was seconded, and approved unanimously by the members present. John Schermerhorn volunteered to investigate sources and prices.

[John presented his findings to the Board at the Christmas Party Planning meeting on December 5th, and the Board decided to give the Farnsworths a Club check at the Christmas Party for the member-approved \$1,000, instead of selecting the tool chest for them. —Ed.]

The Club is also making up a gift card basket for the Farnsworths, to be presented at the Christmas Party. Mary Schermerhorn is accepting members' gift card contributions.

Respectfully submitted,
Susan Virden-Kwiat', Secretary

WHAT'S NEW?**What's new for January 2008***By David Coyote***The Other News...**

It's been a quiet month here in Lake Woe ... oops, San Diego. Who's done what and where?

Chris Segal's dog Olive was featured on National Geographic Channel, Friday December 14th at 5pm PST: an episode of "*The Dog Whisperer*". It's good news to have *someone* of national fame in the club. Part of Olive's segment from the show is up on YouTube: <http://www.youtube.com/watch?v=XnzufLjYU1U>
Chris, is Olive going to be doing autograph sessions?

Steve Kirby said that his wife Diane's surgery went "exceedingly well". We're happy about that! Recuperate quickly, Diane.

At the Christmas Party, **Gerry Kwiat** said that his 100-6 is running again. Un-huh. (Stop being such a pessimist, Coyote!) Happy driving, Gerry! Take Santa on a drive Christmas Eve!

Reid Trummel is including another of my scribbles, and a couple of photos, in the next issue of *Healey Marque*. Look for it soon in your mailbox.

Finally, **Happy New Year**, everyone! May the new one be even happier than the one slipping out under the door.

Keep me informed of anything fit for publication, and remember, **laugh** a lot. It's good for one's health!

Ball Bearing Breaker Rallye XXXIX

January 27, 2008

Sunday, January 27, 2008 will be the next Ball Bearing Breaker Challenge Rallye. We hope to have a strong turnout to enjoy a fun ride that will pass through North County Coastal areas and some of the most scenic roads in San Diego County. We will conclude at a local restaurant that has graciously set aside a section of their parking lot to rest our steeds while we enjoy some fine food and camaraderie. We've also set up some other activities to fill the afternoon. We are sure this will be a fun day for all that join us.

Date: Sunday, January 27, 2008
Time: Meet at 9:00am, first car out at 10:00am
Location: Carlsbad Premium Outlet Mall (South end between Starbucks and Anderson's)
Just east of I-5 at Palomar Airport Rd and north on Paseo de Norte (TG 1126-H3)
Cost: \$10.00 / car (food will be on your own)

This event is open to all members of the local British car clubs that are members of the San Diego British Car Club Council, but the Council does not sponsor or host this event. You must be a member of such a club to participate in this event. All participants must have their own automobile liability, property damage and collision coverage insurance. No insurance coverage of any kind is provided by any sponsor or host of this event.

Prizes will be awarded for 1st and 2nd place. July's winner was a Datsun 240Z (gasp!). Only your participation will prevent this from happening again and return the trophy back to the land of the Saxons.

To help the restaurant with headcount – an email to let me know your intended participation would be greatly appreciated.

It is highly recommended to have both a driver and a navigator on the Rallye since there are clues and questions that need to be figured out and answered during the course, but single drivers are welcome and no one is excluded.

A little bit about the Ball Bearing Breaker Challenge Rallye: This is a timed event BUT NOT A RACE. It is meant to be fun!!! Each entrant (driver and navigator) will get an instruction packet at the start. There are clues for directions, so you will not know the end point (a local restaurant) of the Rallye. During the Rallye, each entrant follows the directions and clues, and tries to answer as many of the questions as possible. The course has been mapped out, and driven (by ME) and a time has been calculated as to how long it "SHOULD" take each participant to finish. The approximate time is around two hours or so... enough to get the car running nice and enjoy some great scenery. At the end, we all meet-up at the finishing point for some fun and food. The time of each car is calculated, and points given for each correct answer for the questions within the packet. The winner is the one with the most points!

Oh, for those people who may get a bit lost or mis-routed, a sealed envelope is also given with the final destination (and a MAP). Also an emergency number (my cell) will be given out. I will have my trusty Map with me and I am sure to get you to the finish line no matter where you end up in San Diego.

IF YOU HAVE ANY QUESTIONS PLEASE CALL OR EMAIL:

WE'LL MISS YOU, DANA

Wednesday, December 19, 2007

I am deeply saddened to report that one of AHCSA's most loved members won't be driving his Jensen Healey again. Ever. Dana McPeck passed away quietly in his sleep very early yesterday morning.

Dana had been a member of AHCSA since 2004, and was the club Activities Committee Chairman for the past two years. Dana promoted many driving events, encouraging members to get their Healeys out of the garage and on the road. "They're supposed to be driven... not just polished," he'd say. It was the beginning of "Dana's Driving Club". Dana was happiest behind the wheel and at speed. Almost every weekend he rounded-up a couple of buddies for impromptu late afternoon or evening drives to Julian for a quick bite and some apple pie. It was the drive, more than the meal, which nurtured Dana's spirit.

Dana, as many of us knew him best – at the wheel

Despite health challenges, Dana had planned to go skiing in Colorado during the first week of January with his son (Shawn) and another friend. Bernie, his wife, told me that Dana requested "no services". He asked to be cremated, and as he was such an avid skier, he would like to be returned to the slopes.

He will be missed by all... past any possible words of mine.

Mike Williams

DANA MCPeCK MEMORIAL FUN RUN

Join us for an afternoon drive to say goodbye to our good friend and Healey cohort, Dana McPeck. We'll be heading up to Julian, via Dana's favorite route, on **Saturday, January 12th**, after the Conclave Planning Meeting. We will rendezvous at Bilstein in Poway and **depart at 12:30pm sharp** for a nice little tour up through Ramona and on to Julian for a late lunch. Dana loved to eat at Margarita's, a cozy little Mexican restaurant, or at the Rongbranch Restaurant & Saloon. We'll choose one or the other and call ahead before we go, once we see how many members will be coming.

WE'LL Miss You, DANA

Some comments from the AHCSD-Discuss email group:

From dcoyote@san.rr.com: I loved Dana. He showed me such kindness and care when I had difficulty getting around. No one was more thoughtful. Not many days will pass without me hearing him say, "How are you doing, old man?" or, "Let's go for a drive." We exchanged holiday emails this last weekend, with his always tongue-in-cheek response to mine: "Simple things amuse simple minds."

I am saddened past other comment.
scruffy

From AAHealeyguy@aol.com: We are just in shock and very saddened. I just talked with Dana the day before we went on our little trip to Louisiana this past Thursday-Monday. He was always very nice to Gerry and me, and he made my Dad's Father's Day something special by letting him (my Dad) ride with him in his "speedy" car.

Rest in peace dear friend.
Sus & Gerry K.

From uniquelittlecars@yahoo.com: Wow - Thank you for posting this information. It deeply saddens me to hear that Dana was gone. I have only known Dana for a couple of years, but in that time I found what a truly great person he is to know. It makes me sad that such a fine person is gone.

God Bless Dana.

In addition to host Terry Cowan & his guest Marlene, the celebrants were: Curt & Nancy Arndt, David Coyote & Pamela Hill Crawford, Lee & Joyce Dompe, Mike Dolphin, Bob & Sue Farnsworth, Lou Galper & Debbie, Bob & Barbara Humphreys, George & Alice Hurley, Bob Kitterer & Jennie Kline, Gerry & Susan Kwiat, Sandy, Lily, Mark, James Leon, Chic & Pat Linde, Jose & Angelina Mondragon, Jim & Libby Pendleton, Udo & Gisela Putzke, John & Mary Schermerhorn, Dick & Jan Schmidt, Chuck & Debby Sharp, Rick Snover, Howard & Lynn Stark, Roland & Loreen Wilhelmy, and Mike Williams.

Although there were no COTY points available because of some morning rain, George & Alice Hurley drove their Healey to the party, and several members drove other British cars as well. Terry Cowan and Rick Snover each had several Healeys "in the shop" there, too.

To help Bob & Sue Farnsworth refurbish their home when it's rebuilt, the Club presented them with a basket of gift cards for various retailers contributed by many members, plus a check to go towards replacing Bob's tool chest.

2007 CAR OF THE YEAR winners, Udo & Gisela Putzke, received the COTY badge from Rick Snover, the 2006 winner.

Conclave 2008: Healeys on the Bay

June 29 - July 4, 2008

Austin Healey Club San Diego invites you to "Conclave 2008: Healeys on the Bay" in San Diego, California. This week-long event promises something for everyone and will be hosted by some of the friendliest Healey folks this side of the Rockies! San Diego...the name itself conjures images of lazy waving palm trees, warm Pacific breezes and beautiful, blue skies. Attractions like downtown's Gaslamp District, Old Town State Park, Sea World and the world famous San Diego Zoo await you. It's always an ideal time to visit San Diego, but especially this week for Conclave 2008.

Austin Healey Club San Diego's Planning Committee has scheduled a fun-filled week for the whole family. Use the registration form to choose from a menu of events. (Schedule of events is subject to change. Visit www.AustinHealeyConclave.com or check the events schedule upon arrival.)

Day One: Arrival, Registration and Welcome (Sunday, June 29)

Check-in Sunday afternoon at the beautiful Sheraton Hotel & Marina on Harbor Island, where you'll be wowed by the nautical themed accommodations and their first class service. Almost all rooms look out over San Diego Bay, Harbor Island Marina or San Diego's downtown skyline. After checking-in with **Conclave Registration**, you can enjoy the tropical pool, have a relaxing massage at the spa, stroll through the beautiful gardens or along the waterfront, or fill your tummy at one of the four restaurants and bars. Sunday evening we'll kick off Conclave with a **Welcome Reception** where you can renew old friendships and make new Healey acquaintances.

Day Two: Competition Events (Monday, June 30)

Wake up Monday morning with adrenaline pumping through your veins as you prepare for a day of fun competition at the **Gymkhana & Funkhana** events at Qualcomm Stadium, home of the San Diego Chargers. Monday evening you'll have a chance to bid on your favorite Healey treasure at the **Live Auction**. Dinner is on your own tonight.

Day Three: Popular Car Show and Sprite 50th Anniversary Celebration (Tuesday, July 1)

After breakfast, head to nearby Embarcadero Park to take in the **Popular Car Show** and **Concours Judging**. All cars will sit on the grass surrounded by San Diego Bay with the Coronado Bay Bridge as the back drop (photo op). Tonight we will honor the **Austin Healey Sprite** with a **50th Anniversary Party and**

Buffet. Honored guest, **John Sprinzel**, will be relating his racing stories. We'll also be awarding the trophies for the Gymkhana and Funkhana events.

Day Four: Rallye and Harbor Dinner Cruise (Wednesday, July 2)

Whether you like your rallies to be **Fun** or more competitive **TSD**, entrants will enjoy the scenic sites of San Diego from the coast to the inland county. Wednesday night offers you a 2-hour **San Diego Harbor Sunset Cruise** with cocktails, dinner and entertainment or enjoy dinner on your own.

Day Five: Gerry Coker/John Sprinzel Q&A, Tours and Awards Banquet (Thursday, July 3)

Catch your breath with a guided tour south along the coast and up into the Cuyamaca foothills. Maybe you'd prefer to see some of the local sights or take in some shopping. Thursday afternoon, sit-in with Gerry and John for an informative question and answer session. Tonight is our **Awards Banquet** and at the same time, the **"Future 50" Pizza Banquet**. Wrap-up the week's festivities with a fabulous dinner and dance overlooking the water.

Departure or Fireworks (Friday, July 4)

Most of us will be saying our farewells and heading home today, however others may decide to extend their stay a couple more days to enjoy all San Diego has to offer. The Sheraton says that you can view multiple **fireworks displays** right from Harbor Island. Room rates will be offered 3-days before and after Conclave (based on availability).

AHCSD TECH SESSION, TOOL RECLAMATION**Cleaning-Up Bob Farnsworth's Charred Tools****Saturday, January 26th, 11:00am****Steve & Diane Kirby's House
3020 Mountain View Dr
Escondido (TG 1130-G3)**

Back on Halloween, we salvaged a bunch of hand tools from the Farnsworths' garage [*Healey Hearsay*, November 2007]. Most of the tools are pretty badly charred, but many can be saved. We're gathering at Steve & Diane Kirby's to see what a bunch of us with wire wheels can do.

Steve has already made a great start on the wrenches he brought home from the "Treasure Hunt" on Halloween...

...but there's plenty more to be done!

Steve writes: "So far, there are only about 3 or 4 wrenches of the bunch shown in the photos that did not come out pretty darn nice. I tried taking back those 3 or 4 wrenches to Sears, along with some ratcheting box end wrenches and a few other "lifetime warranty" tools. I did this after our fire... no problem. I did this after the Crest/Paradise fire for two other folks... no problem. Guess Sears is getting tired of fires. They now have developed a national policy... no tools replaced due to fire damage. OOOOooops! So, a couple of his wrenches, out of a hundred or so that I've re-conditioned, aren't all that great, but 99% are coming out fine. I did have to throw away two of his Whitworth wrenches – just couldn't save 'em. It was fun "sorting" them out, since they were all in different boxes and buckets. I'm proud to say, I think, in each case, he has complete set of each type of wrench. Pretty amazing, considering the condition, and *how* we found them and hauled them out of there."

WHAT TO BRING:

- Steve has 4 stations he can set up with wire wheels, but if you have a **bench-top wire wheel** that can be set up on a workbench or something bring it, and maybe a couple spare wheels for it.
- Stuff will get in your eyes and the wires begin to break down and fly everywhere, so bring good **eye protection**.
- A supply of **WD 40** and **rags** would be good.
- **Masking tape** and **spray paint** of simple colors: blue, red, green, etc. – a lot of handles could be painted and the tool would look a lot better
- If one or two, or the Club, wanted to buy a can or two of that "**plastic dip**" stuff – a lot of the wrench and pliers handles can be dipped in that stuff, and the tool looks almost as good as new.
- **Other boxes and buckets of tools** that Steve may have overlooked that day at Bob & Sue's. If anyone has a box or bucket of stuff you should bring it, or get it to someone to bring if you can't make it yourself.

The Club will provide soft drinks and ice (bring your own other beverages) and we'll be sending someone out to get sandwiches from the local sub shop, "absolutely awesome – the best in the world", for lunch.

DIRECTIONS (Reader's Digest Version)

From Interstate 15, take the Via Rancho Parkway Exit...

1. **Turn right** onto **Via Rancho Pkwy** eastbound, (becomes **Bear Valley Pkwy**), go **.7 miles** (from I-15N) or **.9 mi** (from I-15S)...
2. **Turn right** at the light onto **San Pasqual Rd**, go **3.4 miles** to the light at CA-78 / San Pasqual Valley Rd...
3. **Go straight**, San Pasqual Rd becomes **Cloverdale Rd**, go **1.4 mi**...
4. **Turn left** onto **Mountain View Dr**...
5. End at Steve's & Diane's, **3020 Mountain View Dr** (the last house).

DIRECTIONS (from Steve)

First of all, the general idea is that we live out by the Wild Animal Park (WAP), off Cloverdale Road in Southeast Escondido.

From wherever the heck you are, get on I 15. Whether coming from the north or the south, exit at **Via Rancho Parkway**, which is the main off ramp that serves for "North County Faire" shopping center or "Westfield Shopping Center" at North County Fair. It is also marked as the main off ramp for the Wild Animal Park (WAP).

From the off ramp, turn towards the East... As it turns out, that is a Right turn coming from either direction. You will be heading towards the general direction of the WAP. You will be curving around the shopping center, going through a couple of stoplights.

At the (stop-lighted) T intersection of Via Rancho Parkway (which has by now turned into **Bear Valley Parkway**!) and **San Pasqual Road**, turn **Right**. After you make the turn, the side of San Pasqual High School will be on your left. Proceed on this road, winding through the San Pasqual Valley for about 3½ miles.

You will come to a stoplight, at the intersection of Hwy 78 and San Pasqual Road. There will be a Fruit Stand on your left, and a horse stable across the street. Go **straight** through the intersection. We are no longer heading towards the WAP!

After going through the intersection (we are now on **Cloverdale Road**), proceed 1½ mile. Go up a very small hill. Look for a street sign on the right, which says "**Mountain View Drive**". Turn **left** onto Mountain View Drive. There is a beige house at the bottom. Go **STRAIGHT up the driveway** (do **not** make clever little veers to the right or to the left off of the driveway, thereby finding our new neighbor, the Nelsons in the grayish/green house, or the very newest neighbors who live in a trailer and are building a house to the right...). We are the **second and actually the last house** STRAIGHT up the driveway. If you go through the chain link gate, that is the shop, and you blew right past the house.

Happy Hunting, and if all else fails: Phone number: (760) 746-9028.

CAR OF THE YEAR AWARD

In an effort to recognize Club members who participate with their Healeys, the AUSTIN HEALEY CLUB OF SAN DIEGO awards CAR OF THE YEAR (COTY) points for various activities. Opportunities to collect COTY points include any car-related events (shows, drives, rallies etc.) sponsored by an official organization (other car clubs, auto museum, city chambers of commerce, charities) where you participate with your Healey. These events may or may not be listed in the newsletter. The participant is responsible for providing proof of participation (entrance fee receipt, photo, corroboration from other club members, etc.) to the COTY recorder, Gisela Putzke (858-486-3870 or putzkes@cox.net), within 30 days after the event. AHCSO events will have a sign-in sheet that will be forwarded to the recorder. For multi-Healey families, be sure to indicate which car(s) you drove.

COTY points currently approved by the Board are:
