From The Editor:

It's May already and Conclave '08 is rushing towards us, or are we closing in on it? Seems as there is still much to do.

Another reminder that I will be leaving for Italy on 22 May. Personal unforeseen events, in addition to Conclave '08 are making this a very challenging time for me to be away from home. However, the die is cast and life goes forward. I have asked the board to have all materials to me by not later than 16 May. I realize this is only two days after the May Club meeting, but I need all May HH stuff ASAP to be sure the June issue is complete before I leave.

We should have a quantity of static windshield decals for all Club Sprite owners, courtesy of AHCA, celebrating the Sprite 50th Anniversary. In addition static decals will be included with this year's AHCA membership directory.

The Sprite 50th Anniversary grille badges are ordered. The initial order is for 100 badges. More may be ordered. If you are interested, I suggest you place your order following the information on the Sprite badge ad on page 11 of this issue. A few have asked me to reserve a badge for them. If you have done that, please reorder from page 11.

The AHCA Cross Country Caravan For Kids will be heading for San Diego on 14 June. The article on page ten outlines the event. I am reminded of my trip to Rendezvous 2000 to Ocean Shores, Washington with the Wilhelmy's. We had a great time and I am sure they will too. Greg Lauser is also instrumental in the production of the Sprite 50th Anniversary static windshield decals. Good job Greg.

Regards,
Warren

Hey there Healeyites..

Sorry I was missing inaction for last months Prez message, Well, Conclave is closing in rapidly and we still need more arms and legs to get it done !! Conclave meeting on the 27 th which will be held at the Sheraton.

WHAT'S COMING UP

By Rick Snover, Activities Committee Chairman

We had a pretty good turnout for Rolling British Car Day on Saturday, April 13th: I think I saw at least 8 Healeys, including 3 Sprites and a Jensen Healey, plus a couple more of our members in their other British cars.

May 10th will be our last organized drive before Conclave. It should be a fun one, and I hope to see a lot of you there, with or without your Healeys. We'll leave Santee about 11am and find our way out to Guatay on Old Hwy 80, somehow – I haven't laid out the route yet, but I've got some ideas. When we reach the Tryyn (green) Gallery, we'll have some time to browse the gallery and gift shop and enjoy our B.Y.O.E. (bring your own everything) picnic lunch. The gallery owner is also providing a blind wine tasting for us and holding a raffle. (Note: The raffle prizes may be determined in part by how much we spend in the gift shop.) I'd like to thank Claire Coombs for playing the prolonged game of phone tag that it took to organize this with the owner!

NEWS! 29th Annual S.D. British Car Day- Sunday October 5th – We're trying a new, central location this year: the Navy's Admiral Baker Field off Friars Road. Complete details and pre-registration forms will be available at <http://www.sandiegobritishcarday.org> very soon, and will be included in upcoming newsletters.

To my fellow members of the Activities Committee (that would be all of you) – Car show season is now in full swing, along with our great driving weather. The Club will be pretty busy preparing for Conclave over the next several weeks, but we'll still be interested in suggestions for and help with activities for the rest of the year, so keep the ideas coming!

13th Annual Rolling British Car Day & Picnic In Balboa Park

by Warren Voth

I arrived just as the cars were leaving the parking lot adjacent to Feed The Day Corner Bakery Cafe. The line of cars was long and varied. I just jumped in an opening and off I went...on a drive I thought might never end.

I must admit I was somewhat critical at the end of the drive. But waiting a week to write this article has allowed time to put my thoughts in a positive perspective, for what they are worth. First of all, I think Jerry Craft did a very good job with what is just a difficult type of event to keep everyone happy, including me.

I feel the drive was too long for the number of cars attending. However, zipping along by yourself or a couple of friends, laying out the course, can easily disguise the traffic problem that an almost endless stream of cars can cause. That includes a light traffic Sunday.

Regardless, everyone seemed to be in good cheer, judging by the amount of hand waving, which was large. Events like these build camaraderie, even amongst strangers. Even so, many dropped out judging the number of those who started and what I saw at the Automotive Museum afterward. Perhaps it was just as well. Parking in Balboa Park on Sunday is such that you should bring your own spot from home.

Even though I thought the drive was too long, we did show off a lot of British Cars to people who stopped and looked. After all, I guess that's the idea of the day.

It doesn't get any more British than a three wheeled Morgan.

The Beginnings of the Austin Healey Club of San Diego by Susan Virden-Kwiat'

SDAHC CIRCA 1979 THROUGH 1984

In the early days of the San Diego club, the cars had not appreciated too much, and as a result (in conjunction with the weather), the cars were used for commuting and for general transportation. My car at the time I came into the club was Primrose Yellow, with red wheels and had large vinyl daisy decals all over the car (perfect with tie-dye shirts, flared pants and a beard!). The club was small but aggressive, and hosted Donald on several occasions. One of the best times in my Healey experiences was sitting around Steve Toth's pool with DMH talking for hours about almost anything but Healey's.

Typically, we had a business meeting, an outing, and on many occasions a happy hour each month. The club was very much

A news message from Bob Lindsey, past president of AHCSA ('82 & '84 he thinks).

"I have been putting together a reunion of the club's early years. So far, I have had responses from about 15 members plus spouses, and hope an insert in the Healey Hearsay will bring others out. We're getting together **June 30th. at Shakespeare Pub & Grille, 3701 India Street, San Diego, CA 92103 (during Conclave)**, at 6:30 in the evening. This will be a no-host get together and the more the merrier. We welcome any current members. The restaurant will accommodate as many as we can muster. I appreciate this note finding a place in the newsletter, and look forward to seeing all of you in June."

Any questions for Bob? bob.lindsey@wayne.com He's the man with the answers!

the center of our social life. From the current newsletters, it's nice to see that the club has continued with some of the same events. Keeping in mind that we were all 28 years younger, Camping, Tours to Cuyamaca, Wine Tours in Temecula, Beach Party's, and driving tours that ended up with shopping, eating and drinking were a staple.

One of our more memorable outings was an overnight to Idyllwild and the Silver Pines Lodge. We had a big enough crowd to take over the lodge, and after an evening of eating and more than a little drinking, decided to play Charades! One of the highlights was an interpretation of the book

"Galipolli", which of course involved galloping, which of course resulted in nearly laughing ourselves sick.

I can't wait to see many of the old group again.

Rolling British Car Day

- do these two cars look familiar? That's quite a group getting the driving route. Recognize any faces in the crowd?

Bob Kitterer tells us that after 14 months in storage, some new tires and a few other checks, he went for a drive in his 1960 Sprite today. (I'm sure he was talking about the Sprite being in storage, not himself.) All in all the car did very well but it is not up to an extended trip. Bob says the first thing he's going to do is to burn off all the old gas which will take a little while with his current "to do" list. Needs to change all the fluids and do a major tuning. It started missing and overheated near the top of a big upgrade at about 75 mph. One of the float bowl needles wasn't closing so gas was coming out of the float bowl overflow.

Before going into storage, at speeds above about 45 mph, the Sprite would seriously squirm when going over road irregularities. Bob says that, "After checking everything I could think of I had concluded that the belts were separating inside the tires. Today's drive has confirmed that conclusion. So my comment is, regardless of how good a tire looks if it is more than 6 or 7 years old you are at serious risk of it coming apart."

Good advice to keep in mind.

Conclave 2008 Meeting - who are these people, anyway? They're the folks working their %&&% off to make Conclave 2008 an event to eclipse all other conclaves! Are they being appreciated? Are more members willing to help? There will be a lot to do at Conclave. We got one page toward the back of the newest Healey Marque. Should have been more. Maybe by the June issue?

Dana Drive - Healey folks know how to enjoy a sunny afternoon! Just reminiscing, but once again, a swell time was had by all. That debonair guy wearing the Down Under T-shirt isn't an Aussie, but he does have the same kinda sense of humor. Guess all he needs is the accent.

THIS JUST IN!...

RICK SNOVER wins May Dana's Driving Club Award for longest leap in a Ford Mustang over a chain link fence, asleep, and hitting an iron lion, *while quitting smoking.*

The bad news is the Mustang was totalled. The good news is Rick wasn't.

"I totalled my Mustang Monday night"...and..more "Good news! You will no longer get smoked-out when following Rick Snover's Sprite - he not only got his tire-rub problem solved, but he also hasn't smoked a cigarette in over a month now."

Mike Grant of Moss Motors has been diagnosed and is undergoing treatment for throat cancer. Mike, our thoughts, hopes and prayers are with you. You will be missed at Conclave and Healey's on the Bay.

Need we say it again? If you haven't, register and reserve your room at the Sheraton Hotel & Marina for Conclave. We need to know for planning.

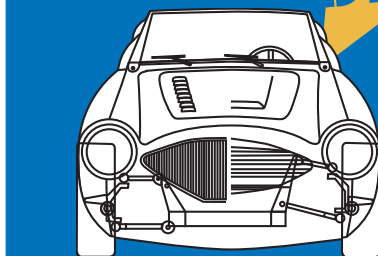

We had lunch at the Sheraton Sunday. The food and service are super.

AUSTIN-HEALEY CLUB OF AMERICA CROSS-COUNTRY CARAVAN FOR KIDS BENEFITS MAKE-A-WISH® CHAPTERS

By Greg Lauser

Starting June 14, several intrepid members of the Austin-Healey Club of America (AHCA) will embark on cross-country drives in their 35-to-55-year-old classic British sports cars to raise funds for the Make-A-Wish Foundation®.

Two groups will start – respectively – in Bennington, Vt., June 14 and the Twin Cities June 19. Drivers will steer their sports cars – built between 1953 and 1976 – on roundtrips ranging from 5,300-7,000 miles in traveling to their annual Conclave gathering hosted by the Austin-Healey Club of San Diego.

“Our local clubs have generously supported philanthropic efforts in their own areas and this national initiative builds on that history of regional support,” said Carl Brown, president of AHCA.

Along the way the Cross Country Caravan for Kids will rendezvous with members of AHCA’s 46 regional clubs in the United States and Canada who have raised funds (or will be) to benefit local Make-A-Wish® chapters.

The caravan and local fundraisers throughout the year by regional Austin-Healey clubs are part of a national effort to

help children facing life-threatening conditions make their one true wish come true through tax-deductible contributions to their local Make-A-Wish® chapters.

The Make-A-Wish Foundation was started in 1980 by family and friends of a 7-year-old Phoenix boy named Chris, who had leukemia. He dreamed of being a police officer. His family, friends and the Arizona Highway Patrol made his wish come true as “officer of the day” just four days before he passed away.

Chris’ mother and those who helped grant his wish created the foundation in his memory, enabling his legacy to live on. Since then, more than 161,000 wishes that have been granted to children

facing life-threatening medical conditions.

AHCA selected the Make-A-Wish Foundation for its first national fundraising initiative because its chapters make it possible for members of AHCA’s regional clubs to help grant wishes in their local area. That keeps the focus on funding for deserving youngsters in each AHCA club’s backyard.

AHCA hopes to fund as many wishes as possible across North America through the generosity of members and those who support members’ fundraising ideas and desire to help some very special children.

People interested in donating to the effort may find more information at www.healeyclub.org by clicking on the Caravan for Kids link on that Web site.

CAR OF THE YEAR AWARD

In an effort to recognize Club members who participate with their Healeys, the Austin Healey Club of San Diego awards Car of the Year (CotY) points for various activities. Opportunities to collect CotY points include any car-related events (shows, drives, rallies etc.) sponsored by an official organization (other car clubs, auto museum, city chambers of commerce, charities) where you participate with your Healey. These events may or may not be listed in the newsletter. The participant is responsible for providing proof of participation (entrance fee receipt, photo, corroboration from other club members, etc.) to the CotY recorder, Gisela Putzke (858-486-3870 or putzkes@cox.net), within 30 days after the event. AHCSO events will have a sign-in sheet that will be forwarded to the recorder. For multi-Healey families, be sure to indicate which car(s) you drove.

CotY points currently approved by the Board are: AHCSO Meetings & Tech Sessions 4 pts, AHCSO Driving Events, Parties, etc. 6 pts, California Healey Week 16 pts, Healey Rendezvous 16 pts, Austin Healey Conclave 16 pts, S.D. British Car Day & Rolling B.C.D. 10 pts, Other non-AHCSO one-day events 2 pts, Other non-AHCSO multi-day events 4 pts, The Board on a case-by-case basis may award points for other events.
