## From The Editor:

The Sprite 50th Anniversary badges are finally here. In spite of many production problems, some self inflicted, they look great. The badges are heavy metal, finished front and back. The back of the badges have a fixed threaded nut that accepts an included 1-inch threaded rod with a nut to secure the badge through your grille. You supply a fender type washer to go behind your grille, under the nut. 100 badges were shipped (there's only 99 left after I got mine) so get your order in early.

Putzke's Fahrspass 10-Year Celebration is a great chance for a super deal on a set of their custom Bilstein shocks for Healey's. I have had Fahrspass-Bilstein shocks on my BJ8 since 2000 and they really do transform Healey's. For those who love the flighty feel of front end hop

Hi All,

Yep, you're stuck with me again this month. Terry's out of town and won't be back before Warren leaves on his vacation, so Warren asked me to provide something to fill the gap on this page.

We (Terry, Dewey de Butts, and I) had a great time at VARA's annual British Extravaganza at Buttonwillow Raceway Park (near Bakersfield) the first weekend of May. I stayed on the track most of the time (only fell off twice), and finished in my usual position - right in the middle of

my class. The Saturday BBQ and karaoke party were great fun, and there was a decent turn-out for Moss Motors' car show on Sunday, too. If you weren't there, well, then, you missed it.

TTFN,  
Rick Snover, Vice President

## Conclave '08 Update

**CONCLAVE PLANNING MEETING:** The final two Conclave Planning Meetings will be held on Sunday, June 8 and Sunday, June 22, both at 9:00am at Bilstein Shock Absorber in Poway. All Committee Chairs as well as any other club members wishing to get involved as a "general help" volunteer (we're still looking for you), please plan on attending. Bilstein is located at 14102 Stowe Dr., Poway, 92064 (TB 1190-G7).

**CALL FOR DONATIONS:** I'm asking all AHC-SD club members to look around the house and in the garage and find a new or a "gently used" Healey part or any other item that you would be willing to donate to the Conclave raffle (gift baskets, restaurant/coffee/retail store gift cards, etc.) Please contact me and I'll put you in touch with someone local to you who you can drop the item off with.

We're down to our last four weeks. Things are pretty well together now, just the little last minute details and so forth.

We still need volunteers for the week of Conclave. Please consider coming down a day/evening or two and volunteering at one of the many events going on. Give me a call or send me an email and let me know when you're available to help.

Event Registration is still available for all you "last minute" participants. Get your registration form at: [www.austinhealeyconclave.com](http://www.austinhealeyconclave.com), but don't wait much longer!

See you at the next planning meeting...see you at CONCLAVE!!!

## WHAT'S COMING UP

By Rick Snover, Activities Committee Chairman

The handful of members who showed up on May 10th for our drive to Tryyn (treen) Gallery had a wonderful time. The rest of you missed it! We'll probably go back for another visit this fall. Hopefully some more of you will join us. My thanks again to **Claire Coombs** for organizing the visit.

To my fellow members of the Activities Committee (that would be all of you) – Car show season is now in full swing, along with our great driving weather. A news message from Bob Lindsey, past president of AHCSA ('82 & '84 he thinks).

"I have been putting together a reunion of the club's early years. So far, I have had responses from about 15 members plus spouses, and hope an insert in the Healey Hearsay will bring others out. We're getting together **June 30th. at**

**Oct 26, 1980.** Ramona Antique Air Show. We had a great turnout, with eleven Healeys in attendance and several non-Healeys as well. Members there were Bob & Sue Carberry, Rick Benes & son, Kathleen Cushionbury, David Brierly, Wayne Baker, Wayne & Loie Marsula, Richard Levering (whose 100-4 wouldn't wake up that morning!), Bob McAllister, Bob Segui, David Siegel, George Workman, and Ken & Elaine Mayer. Highlights included an "instant" tech session on Bob McAllister's Healey and some very exciting flying.

**June 14, 1981.** Wheels for Wings at Balboa Park. Our five Healeys made a beautiful showing amongst the collection of antique and classic cars and motorcycles. Members showing their Healeys were: Bob Carberry, Bob Segui, Ken Mayer, Paul Atkiss and Marty Bloom. In addition, Gerry Kwiat and Richard Levering brought their Healeys along. Other members giving

**Sept 22, 1981.** Carlsbad Inaugural Races. This was not a Club event, it was sanctioned by SCCA, but I did want to mention that in the 'H Production' races there were three Bugeyes, one of which was splendidly driven by our own Jim Widgery!

**Shakespeare Pub & Grille, 3701 India Street, San Diego, CA 92103 (during Conclave), at 6:30 in the evening.** This will be a no-host get together and the more the merrier. We welcome any current members. The restaurant will accommodate as many as we can muster. I appreciate this note finding a place in the newsletter, and look forward to seeing all of you in June."

## Around The World In A Healey

Warren,

*Sue and I met Jill & Mike at Conclave 2006 in North Carolina and had a terrific time with them. We try to keep in contact via email which is fun. At 2006 we promised to get together again and are excited to find they plan to attend our Conclave and even spend a few days prior with us. Jill sent the attached email outlining their itinerary, which you might publish in the newsletter. I know Gisela and Udo plan to go to Sweden, but have not heard of any other AHCSF folks planing to go.*

Bob & Sue Farnsworth

DEAR BOB AND SUE,

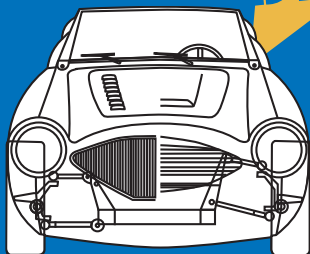

WE ARE GETTING EXCITED ABOUT OUR TRIP.

WE WERE JUST WONDERING IF ANY OF YOUR HEALEY CLUB MEMBERS ARE GOING TO THE HEALEY EUROPEAN RALLY IN SWEDEN IN JULY. WE ARE GOING THERE AND WE ARE HAVING OUR HEALEY SHIPPED THERE FOR THE RALLY AND THEN WE WILL DRIVE THROUGH EUROPE AND GO ON THE CAR FERRY FROM DUNKIRK TO DOVER. WE WILL DRIVE THE HEALEY AROUND ENGLAND, WALES AND IRELAND. WE WILL PUT THE HEALEY ON A SHIP BACK TO AUSTRALIA ON THE 8TH OF SEPTEMBER AND GO TO PRAGUE AND BUDAPEST AND THEN WE WILL SPEND 4 DAYS IN HONG KONG ON OUR WAY HOME. WE WILL RING YOU AS SOON AS WE ARRIVE IN L.A. WE ARE REALLY LOOKING FORWARD TO SEEING YOU BOTH AND THE CONCLAVE.

LOVE JILL AND MIKE

proceeded out Willow Glen Drive, to Steele Canyon Road and on to Campo Road. We continued on to Lyons Valley Road and the Skyline Truck Trail, back on to the Jajatul Road crossing 8-East . We followed Old Hwy 80 to the Trynn Gallery. The drive was less than an hour.

The Trynn Wooden Spoon Gallery was begun 35-years ago by William V. Chappelow. Entering the cottage gallery, one's nose is treated to a variety of seasoned woods that are the basis for an incredible variety of shapes and sizes of spoons, spatulas, jam paddles and cheese separators to name a few. Trynns wares are displayed in period cabinets, hutches, and hanging artistically from tree branches that they might have once were.

## Trynn Wooden Spoon Gallery And Country Picnic

Saturdays drive to Guatay and the Trynn Wooden Spoon Gallery (pronounced Treen) is really only 40 minutes from San Diego, claims the gallery brochure. It is an off the beaten path spot that even this East County local had not visited before. I shared my new experience with Mike Williams, Rick Snover, Claire Coombs, Dick & Jan Schmidt. We met John & Mary Schermerhorn there.

While the drive started at Starbuck's, in Santee, I joined the group at the Dehesa Road - Harbison Canyon junction as it

*Above and right- The Trynn Gallery's displays of every imaginable shape of kitchen spoons, spatulas, servers and separators, and their name tags are beyond imagination.*

Chappelow describes his work. "Every single line of each object comes from the curves and lines already alive in the wood. That's the excitement and charisma of each piece, the complex nature of curves and the movement." An ad-

jaacent cottage is the wood shop where a craftsman roughs out pieces for William to personally finish. Pieces range in price from a \$6.50 jam knife to \$125.00 for a big dipper and as high as \$2,500.00 for a carved walnut bowl with a spout. "A lot of people want the work to use for decoration, Chappelow said. "But I like to think that every piece that goes out of the shop can be used for years and will even look improved after it's seen some cooking wear." A blind wine tasting was provided by Chappelow as part of the introduction to Tryyn.

We adjourned to the picnic area for munchies. Rick Snover generously supplied some nice red and white varitals from his cellar to complete the repast.

The afternoon was capped with an impromptu car show that included both Healey's, Chappelow's two, Porsches, and an old and rusting tractor. As Winner, Mike Williams was presented with a can of Spam and a wooden spam knife by Chappelow for his '62 Mk II BT7. It was a nice day that was joined by too few.

### Haldane HD300

Produced from 1988 in the form of a kit car, the Austin Healey look-a-like Haldane was first produced in Blantyre with production later moving to East Kilbride, where the complete cars were produced.

This is the very last complete Haldane built in East Kilbride in 1994. Cost new was 19,000 pounds. It was displayed in the London Motor Show and the Scottish Motor Show at the SEC.

The body is made of G.R.P. (glass reinforced plastic). The chassis is of square section steel space frame. The engine 2 litre DOHC by Ford. Production of the Haldane continues in Sussex.. This car has only traveled 640 miles.

Purchased in 1997 with assistance of the National Fund form Acquisitions administered by the National Museum of Scotland and with the support of our Museum visitors.

*The BJ8 grille and hood treatment has me looking for roll-up windows, only to find side curtains behind a 100-6-ish windshield. With G.R.P. body, space frame, and modern engine, it would be interesting to know the car's weight.*

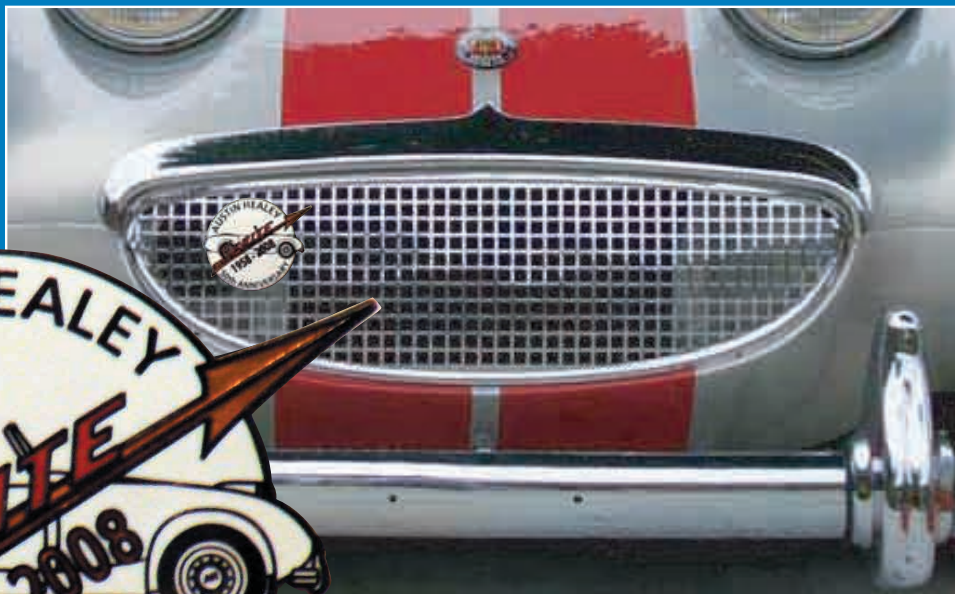

*There's nothing Spartan about the Haldane's modern interior, which puts the body lines from the sixties in some kind of a time warp.*

*The luxurious interior makes you wonder why a hard top was not part of the design to make this a very comfy tourer.*
