Official Publication of the

## Club of San Diego

*San Diego Austin Healey Club  
2013 Car of the Year*

## From The Editor:

It's a never ending task. I just got Whoooooe back together from the loose damper and made it to British Car Day

and the Alan Taylor Tour when I noticed a puddle in the foot well and a wet brake pedal. I have been living with drips on my right foot for some time now and I decided it was time to do something about it. Off comes the master cylinder and looking at the workshop manual it will be a simple matter to disassemble and replace the worn parts. Not so fast! The spiralock and the snap rings are a pain and the plastic guide moveth not. By the time I get it all apart It is clear I need a new one. That is the state of affairs today. Who knows what will break next.

You will notice a difference in the look of the Hearsay. That's because Apple decided to update Pages and I have to learn it all over again. Maybe by next month I'll have it figured out.

## December Meeting

**No meeting this month. We'll see you at the annual Holiday Party at the Auto Museum in Balboa Park on Dec. 14 at 11:00 a.m.**

## President's Message:

Hey there, Healey Folks

Well, looks like we are almost at the end of 2013.

I must say I was a bit disappointed in this year's Annual Brunch turnout. I'm not sure if folks had too much going on, or perhaps we should make it a Bi-Annual event. The few people who were there: the Starks, Erich & Mary Ann Wolf (BN-1), Bob Humphreys, the Snovers, Mike & Karen, Chic and his wonderful girlfriend Dona, Ed & Abbe Neumeyer, Steve Kirby, our Association friends, and of course Lisa and I make a total of 16 so we will have to work on that!!

At our meeting we had only one obvious change to the officers and that will be Lynne Stark taking over the Vice President's spot from the overworked but not underpaid Mike Williams. His new position has unfortunately made his club time very scarce, splitting his time in two between OC and San Diego and his and Delia's new home here. We say thanks to Mike for all he does and has done for our club in the past and for what he will do in the future. Also, Happy 50th Birthday as well, here's to many more!!

The other change will be Lou Galper pitching in with our already activities chair Bob Farnsworth, so they will split the duties of activities. I will continue as President unless there is a Coup and then it's Jan Schmidt leading the takeover. Until then, it will continue to be Dick Schmidt Secretary, Mike Dolphin Treasurer, and our ever omnipresent Editor Sam Talbert.

So let's extend a big "THANK YOU" to all of these people who continue to keep the business of the club moving along!!

I also want to mention how cool it was to go to Allen Taylor's shop and see some incredible restorations including his class winning Bugatti, Restoration cost only a quick 1 Million \$\$\$\$ and you supply the car. Yes, you have to supply your own Bugatti...just sayin'.

Next up our biggest event of the year, the Holiday Party. Thank you, Lynne, for all you have done so far. We hope to see you all at the Automotive Museum on the 14th!!

Happy Holidays to Everyone. Here's to a Wonderful 2014!!!

Cheers, Ter... "What were You Thinking"??

President...T

## November 2013 Healey Meeting Minutes

The November 13th meeting was held at The Philadelphia Sandwich Co. 3904 Convoy St. San Diego. 28 Members and guests were in attendance: Drove Healeys\*, other British~.

Norm Brewer\*, Terry Cowan & Lisa Mandell, Mike Dolphin Sr, Deborah Durham, Bob & Sue Farnsworth\*, Lou Galper~, Bob Humphreys\*, Jody Morgan, Udo Putzke\*, John & Mary Schermerhorn, Dick & Jan Schmidt, Mary Jane Schmidt\*, Rick Snover, Howard & Lynne Stark\*, Sam Talbert\*, Ed Valle\*, Warren Voth\* Sandy & Sandy Watt, Roland & Loreen Wilhelmy, Mike & Delia Williams,

*Meeting was called to order at 7.15 p.m. by president Terry Cowan.*

**General Discussions:** Terry indicated that we have the Auto Museum on the 14th for our Christmas party. Lynne again discussed what the Christmas party menu would contain and took a vote on various drink options. The Embarcadero British Car Day club results were discussed with quite a few prizes being awarded to our club.

**Vice President/ Membership:** Mike Williams indicated our membership count stands at 82.

**Secretary:** Approval of last months minutes. Comment to make sure attendees sign the guest book. Your COTY points for Marque cars driven to meetings are determined here. And also the lucky dinner entrée winner.

**Treasurer:** Mike Dolphin reported on the bank account..

**Newsletter:** Sam again mentioned that he is getting the Book Of The Year together. This will have photos from all throughout the year and will be available for \$50. You can order a personalized front cover on your book by going through Sam's large picture stash, choosing a picture and paying for Costco enlargement. See Sam for accurate information on this.

**Activities:** Lou has arranged with Alan Taylors' restoration shop in Escondido to tour the club through his facility on Saturday the 16th. Meeting locations will be the Sizzler on Aero Dr. leaving at 9.00 am and Mira Mesa Park and Ride at 9.30 am for the drive to Escondido.

December is the annual club Christmas Party at the Automotive Museum in Balboa Park on Dec 14th.

**Museum/Greater SD Car Club Council:** No coverage of this meeting.

**Old Business:** None

**New Business:** Elections. The Bye Laws charge the Vice President with the task of conducting the election of officers for the coming year and in general there have been few new candidates volunteering to help. This narrows the process to 'are there any nominations from the floor?' then all in favor of last years officers say Aye'. This year was mostly like that. **Jan Schmidt** put her hat in the Presidents ring. Mike Williams withdrew his name for VP as the Job in Orange County made that impractical and **Lynne Stark** volunteered to fill that position. **Bob Farnsworth** was hesitant about continuing in Activities and **Lou Galper** agreed to help as a team effort. So in the end the slate of officers for 2014 will be as follows. **President Terry Cowan (Jan gracefully accepting defeat). Vice President Lynne Stark.**

**Secretary Dick Schmidt, Treasurer Mike Dolphin, News Letter Sam Talbert. Activities Bob Farnsworth and Lou Galper.**

**Dick Schmidt was the lucky dinner entrée winner.**

Meeting adjourned 8.15 p.m.

Respectfully submitted  
Dick Schmidt, secretary

## ACTIVITIES:

by Bob Farnsworth – November 2013

After a few months of being under the weather Sue is on the mend, hurray! Doctor appointments, treatments and medications are still a big part of our daily routine. Regardless, life is good. We were able to make the past two AHCSO meetings and are looking forward to the Christmas/Holiday party in December. Sue and I thank all of you for your support, prayers, cards, phone calls and visits during this stressful time.

Thanks to Lou Galper for organizing the visit to Allen Taylor's Collector Car Restoration and Repair Shop in Escondido on 16 November.

Driving tour started at Sizzler off Aero Drive near I15 with about three cars and joined four or more at the Mira Mesa park and ride. From there we took Black Mountain Rd. north and after a few separations (no loses, just went different ways together) finally ended at Alan Taylor's shop at 12310 Industrial Ave. Escondido. There we picked up a few more Members and about a dozen from other Clubs (MG, Jaguar, Triumph). AHCSO Members attending were Curt Arndt~, Bob Carberry, Terry Cowan\*, Debbie Durham, Bob & Sue Farnsworth, Lou Galper\*, Bob Humphreys\*, Ed Matheus\*, Ed Neumeyer\*, Howard Stark\*, Mary Jane Schmidt\*, Sam Talbert\*.

Alan is a fascinating person and craftsman and his shop is a playground dream for car nuts. He greeted us with a brief introduction and then left us to nose around the shop after which a guided tour pointing out some of the not so obvious very interesting things. You must go to his Web site, [www.alantaylorcompany.com](http://www.alantaylorcompany.com) and check it out. Look at the 1930 Bugatti Type 46 Petite Royale and also the videos of Barry Meguiar's "Car Crazy". This was a fantastic event, thanks again Lou.

# WINE RUN

December 8th

Meet at the Mira Mesa Park and Ride at 10:30AM

We will explore some of the wineries of the Ramona valley. We will depart the park and ride on Westview place and continue on Black Mountain Road to Mercy. Mercy will turn into Scripps Poway Parkway. Continue to State highway 67, turning north toward Ramona. The first stop will be the Schwaesdall Winery, we will go from there via some back roads to the Highland Hills Winery for a special luncheon. After lunch we will go thru downtown Ramona and turn on Highland Valley Road to the Highland Hills Winery. After this we will go a short distance to the Kohill Vineyard and Winery. This will mark the final winery on the tour. Those wanting to head to the east county, take Archie Moore Road back to highway 67. If you are more adventurous, A really nice winery is just bout 6 miles down Highland Valley toward Escondido. This is nice place to have a glass of wine and enjoy the sunset with a bread stick or pizza. It is the Cordiano Winery.. Continuing on Highland Valley road will lead you to the intersection of Pomerado Road and I15.

The luncheon includes 4 wine tastings, 2 red and 2 whites. The menu consists of:

**BBQ served buffet style**

Green Salad with grape tomatoes, cucumber, green apple and white Balsamic Vinaigrette

Roasted Potato Salad

Smoked Tri Tip served with Five O'Clock Somewhere Sauce

Grilled Chicken with Honey Hickory Sauce

Iced Tea and water are complementary.

Wine by the glass may be purchased or a bottle to share.

As in years past we need a firm commitment from the member that wish to participate, The cost is \$30.00 per person. No refunds. RSVP to Jim Porter at [jporter@att.net](mailto:jporter@att.net) or phone 858-566-3063. I need the number in your party and a phone number to contact you if there are any changes.

This should be a great event and I hope that as many of the members can participate as possible.. The wineries that we are visiting are small mom and pop operations, not the large corporate wineries in Temecula. Cutoff date for the caterer is Dec. 2, so your reservation must be recorded by then and remember

**Rain or Shine we Wine.**

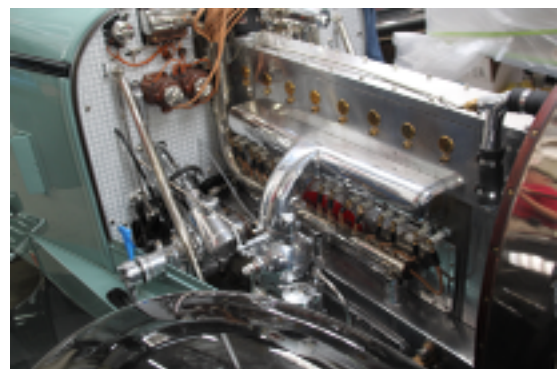

Maps will be at the park and ride. Additional driving instruction for the North and East upon request.

## BUGEYE BAR-B-Q

It is a long freeway drive up to the windmill on I-5 where we meet to begin the drive to

John Felt's house for the Bar-B-Q. Upon arrival I find the whole parking lot filled with

Corvettes. So, unable to find any Sprites, I go across the street to where CBAD Cars meets.

Soon

John arrives and shepherds all the little cars together for the drive. We all roared out and at

the first opportunity most of us took the wrong turn and wound up on I-5 south to Solana

Beach. Rejoining the other contingent we continued through back roads to Felt's home in

San Marcos. There 14 Bugeyes lined up on the lawn and after some "How'd you do that" talk, we chowed down on pulled pork sandwiches.

Before the afternoon was over we lined up the cars for a photo shoot to produce a 2014

## CAUSES OF BREAKDOWNS

Most of us are members of the AAA, and as such we depend on them to get us home safely if we have problems with our cars while out on the road.

This is also the case in Britain, where there were 3 motoring organizations that have been looking after the motorist for over 100 years. The Automobile Association is the youngest of the three and was founded in London in 1906. The Royal Scottish Automobile Club was founded in Glasgow in 1899, and the oldest of the 3 is the Royal Automobile Club founded in 1897.

One of the things that the RAC has done is to maintain records since 1926 concerning their “Get-You-Home” service. In their records they have tracked the causes of breakdowns on a yearly basis. The 1926 record gives us a good idea which parts of our cars are most liable to give us problems and by addressing these areas hopefully it will ensure that we can avoid being broken down on the road.

Over 80 percent of the problem areas are mechanical, with another 14 percent of the problems being attributed to human error, namely accidents. The main categories are:

- Ignition - 22.5%
- Engine - 21.5%
- Rear axle shaft - 12.6%
- Transmission & clutch - 11.8%
- Road Wheels & suspension - 5.9%
- Front axle & steering - 4.3%
- Carburetor - 2.5%
- Accident - 14.1%

This list does not include things such as electrical or lighting failure, running out of gas, or leaking radiators, and these are most likely to be the other 5-6 percent of the problem areas.

We can't solve all the potential problems with our cars, but with proper preventative maintenance we can reduce the possibility to an acceptable level, and if needed, we can always call on AAA for help.

A word of advice if you do have to call, please be patient with them as they have a whole bunch of questions that they will ask in order to make sure that they get the right car. You might know that your car is the only 1909 Buick, 1914 Model T, or 1963 Healey at your location, but the operator on the other end of the phone line needs to make sure that the tow truck driver can find you, so they need to know all the necessary information including the colour of your car...

# Car of the Year Award

In an effort to recognize Club members who participate with their Healeys, the Austin Healey Club of San Diego awards Car of the Year (COTY) points for various activities. Opportunities to collect CotY points include any car-related events (shows, drives, rallies, etc.) sponsored by an official organization (other car clubs, auto museum, city chambers of commerce, charities) where you participate with your Healey. These events may or may not be listed in the newsletter. The participant is responsible for providing proof of participation (entrance fee receipt, photo, corroboration from other club members etc.) to the CotY recorder, Rick Snover (619-980-4194 or ricksnover@earthlink.net), within 30 days after the event. AHCS events will have a sign-in sheet that will be forwarded to the recorder. For multi-Healey families, be sure to indicate which car(s) you drove.
