December 2018

From The Editor:

I suggested to the board that the club combine the December and January issues of **Healey Hearsay** as the Holiday Party fell so early in the month. It's possible that a single page could still be posted, after January first with last minute or early

2019 activities or business.

The club has a lot to be thankful for this year. First up is president Terry Cowan's ten years of service at the wheel. I know that there were times when Terry was rushed (*by me*) to get the president's column done, . He always came through with a uniquely interesting page. From my position, Terry worked to get interesting monthly meeting venues. Breakfast on the Bay comes to mind, as well as day time meetings, and Mimi's Cafe, which I thought was a particular good spot. There was getting Mary Shermerhorn's Sprite ready for sale. Terry also stored much of the Clubs stuff for special events. As well as just chairing the monthly meetings for many years while the rest of us set back to be entertained while we ate. And don't forget the Super Bowl Parties hosted at his home. I'm sure there are behind the scenes things that I've missed. *SO...two thumbs up...Terry...*

We are thankful for new members...As befitting the season, the front cover goes to our newest, and youngest, member Kevin & Alejandra Shumacher's son "AJ". They are the future of the club, as well as new members Ron and Carolyn Richtmyer...a hearty Holiday welcome...

Healey Hearsay inside back page was called **Market Place**. There were two sections, **For Sale** and **Wanted** or **Parts Needed**. I have had queries for Healey's and Healey stuff for sale. Items could include photos as well as text. Let's see what happens on this...

This year's Christmas Party was almost a magic act. The Club pulled the party out of Santa's hat in no time at all...because we had no time at all in which to do it. Thanks to Lynne who called everyone. Gotta tell you, when I got the call from Lynne, I was sorta afraid not to come, ha, ha... *Love & Holiday Kisses, Warren*

Tech Session at the Schermerhorn's

by Howard Stark

Mary and Eric Schermerhorn were very happy to have us come by to finish up the assembly of their Sprite last month. Yeah!!!

It was a great day to remember as Eric took the car for a spin after the transmission repair and final assembly completion. As a matter of fact, I headed back to Mary's house later that day and Mary indicated Eric was out joy-riding the car for over an hour and hadn't yet returned. Now that's a great sign! Many thanks to all our talented and professional Healey workers and members who rolled up their sleeves and continuously came by and went to many places to make this happen. Quite an achievement! Eric, John and Mary's son was also involved with the final touches and re-assembly along with special thanks to Terry Cowan, Udo Putzke, Lou Galper and Howard - me. All the sessions have blended together, but I know that Bob Humphreys participated along the way as well as Kevin Schumacher and Rick Snover and Don Benke, others too.

I recall being there one time and Barbara Humphreys had baked and sent along a special delicious pumpkin type brownie for us to enjoy, although I can't remember which tech session that was. Thanks Barbara and Mary for the great goodies, coffee and treats. Mary has always been a gracious hostess for us. Thanks to all who participated over the many tech session years at the Schermerhorn's.

Terry Cowan, Udo Putzke, Howard Stark, Lou Galper, and Eric Schermerhorn put the finishing touches on the Sprite. Eric took the car for a spin after the transmission repair and final assembly completion.
