December 2019

From The Editor:

This issue ends my second year as editor for this stint. I have been editor off and on, since 1996. One of my first issues featured a front cover of a drive to Mount Palomar and a tour of the 200-inch Hale telescope. The front cover featured a white BJ8 in front of the observatory. It would be fun to do that drive again this year. I recall we stopped at Mothers Restaurant on the way down. It was the first time I had vegetarian food. It was an attractive presentation of a salad and mixed cooked vegetables in a curry sauce. The actual Palomar drive

story appeared a month later. Why? I guess I was new at the game. I have always used collage/cropped photos to focus on the real story, that's in every photo or group.

I want to mention the many compliments I have received as editor. I appreciate them as they keep me on track, talking about Healey stuff and how they are a part of our lives. And they tell me I am connecting with you, editing and writing stories you hopefully want to read.

As I mentioned, last month, I would like to receive car stories from club members. I understand that most of us are not writers. We write notes, fill out forms, do text messages, and emails, which are quite different from writing a story. I would be pleased to help with your car story, if that would work. Give it some thought...

Hello everyone. Hope this holiday season brings much joy to you, your families and friends.

It has been almost a year since I began my journey taking on a leadership role in our club. Time flies when you're having fun! I am very pleased with our board members and special staff's service this year as their efforts bring us closer together, keeping our interest with great activities, meeting minutes, creating and preparing our Newsletter, managing our Finances, supporting council meetings, providing web service, and prepare, package and distributing hard copies of our newsletters to those offline and our advertisers.

We had a large turn out at our November election. As you are aware a couple board members will be changing in 2020. We thank Gary Stalker for his many years of Service as Treasurer and congratulate and welcome Sandy Leon as our new club Treasurer. We thank Debra Durham for her service as secretary this past year and welcome Lisa Mandell as our new club Secretary.

Recently I was informed Susan Kwiat, who has been sending out our "hard copy" newsletter for many years, will no longer be able to copy and distribute them. We appreciate all her support over the years and wish her well in her new adventures. If anyone can offer their time to perform this important role for our members and advertisers, it would be greatly appreciated. Please contact any board member if you can help.

It has been great speaking with and seeing more of you at our meetings, gathering and driving events. The board is looking forward to your suggestions as we plan 2020 events, and activities. We have been looking over past years to include some placeholders in our 2020 calendar. We are interested in your comments and are hoping to hear your ideas and suggestions for 2020.

It is time to begin planning our **Super Bowl Party and Chile Cook off February 2nd, 2020**. If you would like to host this gathering, please contact Lou Galper.

Our **Holiday Party is Saturday, December 14th** and we are hoping to see everyone again at the S.D Automotive Museum. Please RSVP to Lynne. Send payment, \$35/Person, made out to AHCSO to Lynne Stark at 1164 Benjamin Place, El Cajon, CA. 92020. She is planning and coordinating our party. If you would like to volunteer to help, please contact her at 619-579-7551.

See you in December

Happy Holidays!

November activities were a little different in that we joined the San Diego MG Club to be part of their Poker Rally. And we attended the "Belly Rumble" at the Menghini Winery in Julian. Both were fun and were events that we might have missed.

The MG Club Poker Rally is held every year. While there were only two Healey's on the Rally, we met people and their cars that might never have happened.

The poker hand was the best five of seven cards. We each received one card at the start, along with well-honed instructions, five cards at chosen check-points, and one last card at the end at Barrett Junction Cafe. Our crew included Bob & Barbara Humphreys, Howard & Lynne Stark, Deborah Durham & Lou Galper, and myself. The rally began at the Walmart parking lot at Camino Canada. Our rally led us to Blossom Valley Road, on to Old Hwy 80, to Interstate 8 East, off at Japatul Valley Road, on to Hwy 79 Cuyamaca Lake to the Sunrise Hwy. Then back through Descanso on Old Hwy 80, through Lyons Valley and Honey Springs to The Barrett Junction Cafe and awards and fish & chips.

The Belly Rumble is a similar story. The Club crew who attended British Car Day, received a "Belly Rumble" flier at British Car Day. Belly dancers and wine sounded like an unusual combination. Howard & Lynne Stark, Deborah Durham & Lou Galper, Udo & Giseka Putzke, Tom & Debbie Linnard, Neil & Nancy Tabachki, and myself rumbled and it was unusual. We went to the Menghini winery where we met Neil & Nancy Tabachki, who live almost next door. Belly Dancers put on a fun Belly Rumble to benefit the YWCA Women's Shelter. Food was by Pepe's Tacos followed by Decadent Desserts. Afterwards, we were invited by Neil & Nancy to their ranch for a tour and libation. It was a lovely day

Our crew included Bob & Barbara Humphreys, Howard & Lynne Stark, Deborah Durham & Lou Galper, and myself.

Below-We're getting together and receiving instructions from the MG Club rally master.

Left- A great looking blue '57 MGA coupe, and below, my favorite, a sparkling, great looking '47 MG-TC roadster in a striking black over yellow trim.

Left- Barbara & Bob Humphreys in their silver gray 1971 Jensen Interceptor III pulling into the parking lot at the Barratt Junction Cafe parking lot

More MG Club Poker Rally...

Left- The San Diego MG Club has their Poker Rallys very well organized. The five manned check points were on dead end or cul-d sacs so as not to block traf- fic. Small groups were released after getting their cards, making a safe entry back on the road. Left- I am pulling into a check point to get my card, drawn from a bag. Kudos to the Club for a smooth Poker Rally.

The variety of cars added intrest to the event. In the 60's Cal Club and SCCA were fullled with all marks...

Left- The winning poker hand was drawn by Gordon Carpenter. His 1982 Delorian looks like new. I asked Gorden if parts were a problem. He said no. Delo- rian was required to have a very large quantity of spares available before they could be imported into the U.S. As Delorians were a short run, the quantity of spares far out stripped the cars imported.
