From The Editor:

While talking to Don Benke about his Healey stale gas syndrome, he mentioned that **there are still members who have not renewed their membership...**

So, if you're not sure about your membership re-newel...please call Don and double check.

The following is a semi-repeat, but worth thinking about. While driving into El Cajon recently, my tachometer needle began moving erratically. Upon checking it out, I found out it was a loose connection.

This got me to thinking about **Foreign Speedo** and why we need to do everything we can to keep specialists like these in business.

Foreign Speedo has saved me several times. Years ago, when my speedometer jambed when the flex cable gave out, because the wheel bearing grease in the flex line dried out, and I didn't know it. Of course the speedometer was as dry as the cable.

And again, when a wire in my gas gauge separated. **Foreign Speedo** brought my speedometer into line when I changed my dif. gears from 3.93 to 3.54. They installed a tiny transmission after the transmission angle drive. They put my Healey on a dino and swapped gears until they corrected the gauge within 2 MPH...

As I said, many, if not most of all the internal bits and pieces of our Lucas gauges are not available. . The guys at Foreign Speedo have collected the obscure parts to patch up Lucas gauges, among others.

Foreign Speedo has the know-how to give our gauges the attention they need, but seldom get...

Well hello again.

It will be March, by the time you receive this Healey Hearsay. There are plenty of activities this month, so please look over the calendar and see what fits your schedule and take a glance at the meeting minutes to keep informed. Come join us. The weather is shaping up nicely for driving around San Diego County and whatever vehicle you choose to drive, we're looking forward to getting together.

I enjoyed our great Super Bowl party with some wonderful food, seven chili's for our cook off, ham, spaghetti, meat balls, potato salad, side dishes, great desserts and birthday cake for Terry's birthday. We celebrated his big day, but glad we had a fire extinguisher for all those candles. I'll never tell, Terry. It was a competitive super bowl and a fun place to get together, thanks to our hosts Don and Pat Benke! Thank you all for bringing treats to share and joining us. It was a great time. BTW, the chili cook off was a great success and there were three winners. Our editor Warren, Barbara Humphrey and I; guess mine was the hottest.

We had an impromptu tech session to access Don's car, checked that the floats and needle valves were ok, fuel delivery was working, spark plugs were getting spark, wires were tight etc... and after pumping out and looking at some fuel, expect replacing the fuel will get his car running again. We shall see. Good luck Don.

Lou will remind us what is going on in March through May and give us details at our next meeting, Wednesday March 11th at Mimi's Cafe off Mira Mesa Blvd. I think you will enjoy the changes to Mimi's menu and their food quality has really improved, but come for the camaraderie and meeting, good food is a bonus. A Cars and Coffee drive is scheduled on Saturday March 7th. At our meeting, let's look over and discuss our future activities, so we can update the calendar with what you would like to do. All Aboard for the train ride Saturday March 21st to Campo. There may be a tech session in March, if it can be arranged.

Don has been working very hard contacting members, to keep their membership up to date so they'll continue receiving the Healey Hearsay in 2020. Please send in your dues payment in case that was overlooked. The mailing list and roster will become final in March. We're moving into the end of the first quarter and will not be forwarding newsletters to members who haven't renewed, so stay connected with us and have some fun!

We need a member volunteer to manage reproducing and mailing out hard copy newsletters to members not on line and to our vendors monthly. Please contact anyone of your board members if you are willing to volunteer to complete this important communication. Costs will be reimbursed for copying, postage and envelopes. Thank you, for your support and participation.

See you soon.

February Meeting Minutes

Minutes: Austin Healey Club of San Diego Monthly Meeting

Wednesday, February 12, 2020 Main Street Grill Poway

Newsletter will not be provided to any non-members after March. Non-members includes any current members who have not paid for their club membership renewal.

Treasurer: Sandy Leon reported the treasury is stable and the club is solvent. Howard confirmed the Board conducted a required analysis sampling audit of the treasury and 2018 and 2019 were in good order prior to transition to the new treasure per our bylaws. Gary did a great job and the transition of officer is complete.

Activities: Upcoming activities:

- Rancho Santa Fe Cars and Coffee on March 7th. Suggestion made to meet early and drive up together from Mira Mesa Park and Ride.
- Camp Train Museum with the MGM Club on Sat March 21st
- Rolling British Car Day April 26th . Expected location is Pauma Valley Golf Resort. Other locations under consideration includes Dos Picos Park.
- Healey Week Rendezvous at Lake Tahoe from May 17th – 21st
- Suggestion made to have a Tech Session on Wire Wheel Mounting with Jim McGee (El Cajon). Howard will discuss with Jim.
- Terry Cowan shared preliminary information on the 2021 Conclave location in Big Bear. More info to follow.

President: Howard Stark

January Meeting Minutes: Motion made to approve minutes from last month's meeting. Minutes were approved.

AHCA Roster: Howard Stark shared the AHCA Roster is expected to be provided to AHCA members this year possibly by March. If you do not pay your dues, you will not be listed in the Roster.

Club of America: Howard has looked over the COA Insurance and Subsidiary Rider and it appears our club is listed for potential coverage with conditions and requirements. Members who have paid AHCA dues may be covered if we plan and host a future event, provide details and request approval. We may have insurance coverage once approval is provided.

Support for Club Events: We are receiving more member input on interests and want to continue increasing support for club events. We continue to need more input and volunteers.

Newsletter Support Volunteer: We need a hard copy newsletter volunteer to print and mail the hard copies of the newsletter. There are approximately 22 hard copies currently distributed. Terry Cowan requested an offline discussion with Howard to possibly take on the hard copy distribution. If we do not have a volunteer the hard copy distribution will cease in March.

Dinner Winner: Gary Stalker

The meeting was adjourned at 7:35pm.

what the future brings....

The Austin Healey and MG Clubs will be taking a scenic drive to ride the Golden State train and visit the Pacific Southwest Railway Museum in Campo.

Food and drinks are allowed on the train and there is a picnic area and soda machine at the depot.

For lunch, Cafe B Diner is about a mile from the Museum.

Right after finishing and sending last month's Healey Hearsay, I found these photos of the Widgery's at home with the Club. I couldn't resist not including them in this issue. Good times must be treasured, and always remembered...there are never enough of them... **Above-** Gisela Putzke, Loreen Wilhelmy and Barbara Widgery. **Center-** Jim Widgery, relaxing on their patio with friends. **Below-** Jim, surrounded by friends, Loreen Wilhelmy, Annice Kitterer, Roland Wilhelmy, and Bob Kitterer...*those were the days, my friends, we thought they'd never end...*

The Benke's Super Bowl Party

Once again, Don and Patrica Benke stepped up and hosted the Super Bowl Party and Men's Chili Cook-Off. Thanks Don and Patrica...

Attendees included: Don & Pat Benke, Lou Galper & Deborah Durham, Terry Cowan & Lisa Mandell, Peter Roses from Australia, Rick & Allie Snover, Curt & Nancy Arndt, Udo & Gisela Putzke, Ed Neumeyer, Will & Sharon Rogers,

Bob & Barbara *The Brownie Queen* Humphreys, Howard Stark, Chuck Sharp, and myself. I think a good time was had by all...

And once again, Saturday before the Super Bowl, I am rummaging around my spice cabinet for chili fixings. I had picked up ground chuck, several kinds of beans, garlic, tomatoes, and a sweet onion for the chuck. And I picked up a Carroll Shelby's *Original Texas Brand* Chili Kit. How could I go wrong? Easy!...The finished chili crock pot was a dud. I didn't like it. So I was sure no one else would. It's now Saturday evening...and I was desperate...

Above Top- I asked the gang to act like they were having a good time... Above- Lou was in charge of the betting shop. No luck here. Center- Everyone is hypnotized by the flat screen but Terry managed a wave. Right- Ed Neumeyer gave a smile from the corner.

So, I added more garlic. Still nothing. ...I went out back and grabbed several lemons off the tree, juiced them in. Added more cayenne pepper...and two table spoons of sugar and a little more salt. Finally, it began to come around. No one was more surprised than I to win best tasting chili...I think the sugar did the trick. Is that cheating?

There were six chili pots, roast, spaghetti, desserts...did I mention Barbara Humphreys brownies?...and Terry's Birthday cake to finish off the sweets... a great Super Bowl day...

Barbara's
Brownies...

Above Top- The after game event was Terry Cowan's Birthday Bash. We were careful with the candles. Lisa is serving the Club a sugar high while we wished Terry happy birthday....Happy Birthday Terry...Note Barbara Humphreys brownies are almost gone.

Below- Chili Contest Winners...Howard Stark's chili was the hottest...IT WAS. Barbara Humphrey's was the most unusual. Mine was the best tasting, probably due to the sugar shot...

Other non-Healey British-built cars earn half points, but are not eligible to win the award.

All points received during the year by all members will be worth a discount towards the purchase of AHCS D regalia during the subsequent year. The total point leader at the end of the year will receive the coveted CAR OF THE YEAR badge for display on their Healey for the following year.
