## Note from the Editor

Hi AHCS D Members! Welcome to the December edition of the Healey Hearsay. The final edition of the year, 2023. We are in the midst of what I call the "Turmoil of the Holidays" Don't get me wrong, I mean that in a truly good way. I love the Holiday Season. But for different reasons than when I was a youngster, and even different from when my kids were youngsters. I really enjoy just spending time with family and friends. I don't need gifts. To me, it's all about togetherness and remembering good times over the years. It's about a big Prime Rib Roast and a great bottle of wine. I look forward to seeing many of you at the Holiday Party on the 2nd.

This month, we don't have a lot to display on these pages. With Thanksgiving so early, November ran away from us. I must say, I was very impressed to see the photo I chose for the cover. Our own Dave Grundies posing at a special Veteran's Day event on the USS Midway Museum. I also would like to say thank you to all of the Veterans that may be in the club.

November brought us the annual Board of Directors elections. Don has that covered in his Note from the President message. I will say that I am happy to be on board as editor of the HH again for 2024.

I am also looking forward to some great events/activities in 2024. We'll kick it off with the Hawk Watch in the Ramona Grasslands again this year. Look for details coming. As I have said, we'd love to see more of you attend our events and drives in 2024.

I will close by adding that I hope you all have a great holiday season. If the weather permits, got out for a drive!

*Cheers—Terrey*

## From The President

Fellow AHCS D Members

Well, we have made it to December, and among other items to note, we held our club officer's election at the November 8<sup>th</sup> meeting, and I have a few things to report. First of all, I announced my decision NOT to run for reelection a few days prior to the meeting. I did this to keep things running smoothly at home, and to let at least two other club candidates vie for the position. At the meeting, I presided over the election with the following results:

Terry Cowan, with many years of experience as club officer and a former president, and Laura Leyland, our current Activities officer both accepted nominations for the job. They both made brief comments to support their desire to be the new president. After distributing blank index cards to 24 members present, the ballots were collected and Pat Benke and Robert de Young counted the ballots and announced that there were 24 votes cast and in a close tally, Laura Leyland was the winner and will be our new president as of the January 10, 2024 meeting.

Our other officers reelected without opposition were:

- John Lee III as VP/Membership
- Kathleen Reid as Secretary
- Sandy Leon as Treasurer
- Terrey Leyland as Healey Hearsay Editor

The position of Activities Director currently held by Laura Leyland was opened up for nominations since she was elevated to president. After some spirited suggestions and some gentle arm twisting, it was decided that the office of Activities would remain unfilled at this time and hopefully a new leader of this important club position might step forward at or before our January 10<sup>th</sup> meeting.

In the last meeting, there had been a suggestion that the club should consider adding one or two officer positions to help the club better perform tasks already being done on a regular basis by current members. After some discussion and heart felt comments that our hospitality expert and personal contacts specialist Lynne Stark could fill a new position It was moved and seconded that a new officer position entitled "Communications" be created for the club. It passed, and after that vote, with a nomination of Lynne Stark, and some additional comments, the club vote to approve our first Communications Officer. Congratulations to Lynne and all our new and returning club officers.

One other note: The job of Web Master being done by our Web Master Rick Snover was discussed as a possible new club officer position. After some discussion about how to proceed, It was decided that this would be studied further and one suggestion was to simply cover the Webmaster's Austin Healey Club of America membership dues (\$70 Annually) as is the custom for our Club officers. More on this at the January meeting.

# Event Updates

Once again the Holiday Party was a huge success, it was held at a different venue this year, The Best Western Island Palms Hotel on Shelter Island. It was a beautiful day and the drive was very pleasant. I did not hear of any mishaps with cars so that makes it all that much better.

A big thank you to Lynne Stark for planning a great party. I know there were probably several other people who helped, such as Lou Galper with the silent auction. Kathleen and Sandy helped people get checked in and sell them raffle tickets as well as hand out the ticket for the gift exchange. I did see Howard running around helping where he could and of course helping Lynne with the arrangements. Don had the task of keeping the poinsettias alive and getting them to the party. They were beautiful. I know I have missed some people so thank you to all who help make this a great event every year.

Once again the gift exchange became a lively event. Several items were stolen more than once and finally ended up with happy owners. Thanks to all who participated and this is sure to be a hit gain next year.

Cheers everyone to a happy and healthy holiday season! Until 2024

Be sure to attend Richard and Ada's Winter Wonderland event at Sweetwater Farms. It is Sunday December 17th. Richard will be making his famous beans and pig Roast. See details on page 8.

January will be Hawkwatch in the Ramona Grasslands. Always a fun event.

May is Rod Run in Temecula but registration is in January. Ed and Sandy Matheus attend this every year and are inviting us to join them. The event takes place Friday, May 3 & Saturday, May 4, 2024. Below is the link for registration that will open in January. More to be sent out as this becomes available.

## Special Honor

### Dave Grundies Veteran's Day

AHCSB BJ-8 owner, Captain Dave "WARBUX" Grundies, USN (Ret.) has his own (at least has his name on a) Grumman C-2 COD, permanently on the flight deck of the USS Midway Aircraft Carrier Museum right here in San Diego Bay! The C stands for Cargo, and COD means (Aircraft) Carrier On Board Delivery. The Greyhound (Its nickname) was the largest aircraft that could trap (land with an arresting cable) and take off with the aid of a steam driven catapult (zero to 120 in less than a second) on board an aircraft carrier. The COD could transport 28 passengers or 10,000 pounds of high value cargo to and from our Aircraft Carriers (CVs & CVNs) at sea.

The C-2 first flew in 1964, replacing the C-1 Trader. It is now being retired from service and replaced by the Bell-Boeing CMV-22 Osprey Tiltrotor.

Dave was the Commanding Officer of NAS North Island's COD Squadron, Fleet Logistics Support Squadron Three Zero (VRC-30), which like the venerable C-2, has recently been Decommissioned.

Come visit the airplane where Dave achieved 100 Traps, and became a "Centurian"!
